

LONG RANGER EXPRESS 223 5+1

[Firearms](#) > [Rifles](#) > [Lever Action](#)

For an all-purpose rifle, practical accuracy, mobility, and ammunition availability should be prioritized over outright firepower. We've chosen to chamber the Long Ranger Express in the ubiquitous .223 Rem/5.56 NATO exclusively, fed from a 5-round steel-bodied detachable box magazine. The Express features a quick-handling carbine length 16.5" barrel, threaded 5/8×24 to accept the muzzle device of your choosing. You may opt for a muzzle brake to reduce felt recoil and keep the Express flat on target in the field, or a suppressor to reduce your signature and keep peace with the neighbors.

Attributes

- Name: [LONG RANGER EXPRESS 223 5+1](#)
- Manufacturer: [HENRY REPEATING ARMS](#)
- Product no.: 430100061
- Mfr. No.: H014RP-223

Long Ranger Express 223 5+1 Safety Instruction Guide

Introduction

Thank you for choosing the Long Ranger Express 223 5+1. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your firearm. Please read this guide carefully and keep it for future reference.

General Safety Guidelines

- Always treat every firearm as if it is loaded.
- Keep the muzzle pointed in a safe direction at all times.
- Be aware of your target and what lies beyond it.
- Keep your finger off the trigger until you are ready to shoot.
- Ensure that your firearm is stored securely and out of reach of children and unauthorized users.
- Use appropriate ammunition as specified in this manual.
- Regularly inspect your firearm for any signs of wear or damage.
- Follow all local laws and regulations regarding firearm ownership and usage.

Specific Safety Precautions for Use

- Before using the Long Ranger Express, ensure that you have received proper training in firearm safety and handling.
- Always wear appropriate eye and ear protection when shooting.
- Do not use alcohol or drugs before or while handling your firearm.
- Be mindful of your surroundings and ensure that you are in a safe environment to shoot.
- Do not modify your firearm in any way that could affect its safety or performance.
- If you experience any malfunction or failure, cease use immediately and consult a qualified gunsmith.

Instructions for Installation and Usage

• Loading the Firearm:

- Ensure the firearm is pointed in a safe direction.
- Open the action and visually inspect the chamber to ensure it is clear.
- Insert the 5round steelbodied detachable box magazine into the magazine well until it clicks into place.
- Load the magazine with .223 Remington or 5.56 NATO ammunition only.

• Firing the Firearm:

- Ensure the firearm is pointed at the intended target.
- Pull the lever to chamber a round.
- Place your finger on the trigger only when you are ready to fire.
- Squeeze the trigger smoothly to fire the shot.
- After firing, be sure to keep the firearm pointed downrange and open the action to eject the spent casing.

• Cleaning and Maintenance:

- Regularly clean your firearm according to the manufacturer's recommendations to ensure proper function and longevity.

- Use only cleaning materials that are safe for your firearm.
- Store your firearm in a dry place to prevent rust and corrosion.

Disposal Instructions

- Dispose of any unused ammunition in accordance with local laws and regulations.
- When disposing of your firearm, ensure it is rendered inoperable and follow all local laws regarding firearm disposal.
- Contact your local authorities or a licensed firearms dealer for guidance on proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the Long Ranger Express 223 5+1, please contact your local authorized dealer or visit the manufacturer's website for additional resources and support.

Thank you for your attention to these safety guidelines. Your safety and the safety of others depend on responsible firearm ownership and usage.
