

# 10/22® THREADED PENCIL BARRELS - FAXON FIREARMS RIMFIRE 22LR 16" 1-16 PENCIL CONTOUR SS BBL NITRIDE

[Rifle Parts](#) > [Barrel Parts](#) > [Rifle Barrels](#)

One of the pillars of Faxon Firearms is their belief in the Fellowship of Firearms. They believe that firearms bring people together and create generational memories. Since the 19th century, the .22 LR has been a perennial favorite for beginning and seasoned shooters alike. That's why they're excited to bring you everything you love about their AR and pistol barrels to the beloved ""22." As with all Faxon Barrels, the ""Faxon Rimfire"" line is made in-house at their Cincinnati facility from raw bar stock, and undergo the same rigorous testing and quality control measures that have made our AR and pistol barrels a market favorite. These barrels are made from 416-R stainless steel, given 6 Groove Rifling at a 1:16 twist, and a Recessed Target Crown. Barrels are Magnetic Particle Inspected, and are finished in either Salt Bath Nitride or PVD. To give these Faxon Rimfire barrels their unique touch, they have adapted 3 of their most popular barrel profiles from the AR platform to rimfire: Pencil, Straight Fluted, and patented Flame Fluted profile. Faxon Rimfire barrels offer weight-savings to typical factory barrels for 10/22®. Faxon Rimfire Fluted Barrels: 1.4 lbs

## Attributes

- Name: [FAXON FIREARMS RIMFIRE 22LR 16" 1-16 PENCIL CONTOUR SS BBL NITRIDE](#)

# Safety Instruction Guide for 10/22® Threaded Pencil Barrels

## Introduction

Thank you for choosing the 10/22® Threaded Pencil Barrels by Faxon Firearms. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your new product. Please read this manual carefully before using the barrel.

## General Safety Guidelines

- Ensure that the barrel is compatible with your firearm model before installation.
- Always treat firearms as if they are loaded, even if you believe they are unloaded.
- Store firearms and ammunition securely, out of reach of children and unauthorized users.
- Always wear appropriate eye and ear protection when using firearms.
- Keep the barrel and firearm clean and well-maintained to ensure safe operation.
- Be aware of your surroundings and ensure that you are in a safe environment when using your firearm.
- Follow all local laws and regulations regarding firearm use and ownership.

## Specific Safety Precautions for Use

- Inspect the barrel before each use for any signs of damage or wear.
- Ensure that the muzzle is pointed in a safe direction at all times.
- Do not exceed the recommended ammunition specifications for your barrel.
- Avoid using the barrel for purposes other than its intended use.
- Ensure that the firearm is fully unloaded before installing or removing the barrel.
- Be cautious of the temperature of the barrel after use, as it may become hot and cause burns.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the existing barrel from the firearm according to the manufacturer's instructions.
- Align the new Faxon barrel with the receiver and thread it into place.
- Tighten the barrel securely, following manufacturer specifications.
- Check for proper alignment and ensure that the barrel is securely attached.

### 2. Usage:

- Load the firearm with the appropriate ammunition (22 Long Rifle).
- Ensure that the safety is engaged until you are ready to fire.
- Aim at your target, ensuring that the area is safe and clear of obstructions.
- Disengage the safety and pull the trigger to fire.
- After use, clean the barrel and firearm as per the manufacturer's recommendations.

## Disposal Instructions

- Dispose of any packaging materials in accordance with local waste disposal regulations.
- If the barrel is damaged or no longer in use, contact a local firearms dealer for proper disposal methods.
- Do not dispose of firearms or firearm components in regular household waste.

## Contact Information for Further Support

For safety inquiries or further assistance regarding your 10/22® Threaded Pencil Barrels, please reach out to the manufacturer or your local firearms dealer. Make sure to have your product details ready for efficient support.

By following these safety guidelines and instructions, you can ensure a safe and enjoyable experience with your Faxon Firearms product. Always prioritize safety and responsible firearm use.
