

10/22® THREADED BULL CONTOUR STRAIGHT FLUTED BARRELS - 10/22 16" STRAIGHT FLUTED BULL BARREL THREADED TIN PVD

[Rifle Parts](#) > [Barrel Parts](#) > [Rifle Barrels](#)

One of the pillars of Faxon Firearms is their belief in the Fellowship of Firearms. They believe that firearms bring people together and create generational memories. Since the 19th century, the .22 LR has been a perennial favorite for beginning and seasoned shooters alike. That's why they're excited to bring you everything you love about their AR and pistol barrels to the beloved "22." As with all Faxon Barrels, the "Faxon Rimfire" line is made in-house at their Cincinnati facility from raw bar stock, and undergo the same rigorous testing and quality control measures that have made our AR and pistol barrels a market favorite. These barrels are made from 416-R stainless steel, given 6 Groove Rifling at a 1:16 twist, and a Recessed Target Crown. Barrels are Magnetic Particle Inspected, and are finished in either Salt Bath Nitride or PVD. To give these Faxon Rimfire barrels their unique touch, they have adapted 3 of their most popular barrel profiles from the AR platform to rimfire: Pencil, Straight Fluted, and our patented Flame Fluted profile. Faxon Rimfire barrels offer weight-savings to typical factory barrels for 10/22®. Standard Factory Barrel: 1.78 lbs Faxon Rimfire Pencil Barrels: 1.0 lbs Faxon Rimfire Fluted Barrels: 1.4 lbs All Faxon Rimfire Barrels are backed by the Faxon Lifetime Guarantee.

Safety Instruction Guide for 10/22® Threaded Bull Contour Straight Fluted Barrels

Introduction

Thank you for choosing the 10/22® Threaded Bull Contour Straight Fluted Barrels by Faxon Firearms. This guide provides important safety information and instructions to ensure the safe use and handling of your new firearm accessory. Please read this document carefully before installation and use.

General Safety Guidelines

- Always treat every firearm as if it is loaded.
- Keep firearms pointed in a safe direction at all times.
- Store firearms securely and out of reach of children.
- Use only ammunition that is specified for the product.
- Regularly inspect the barrel for any signs of damage or wear.
- Follow all local laws and regulations regarding firearm ownership and use.
- Wear appropriate eye and ear protection when using firearms.

Specific Safety Precautions for Use

- Ensure that the barrel is properly installed before use.
- Avoid using the firearm in wet or damp conditions to prevent corrosion.
- Do not exceed the maximum pressure limits specified by the manufacturer.
- Be aware of your surroundings and ensure a safe shooting environment.
- If you experience misfires or other issues, cease use immediately and consult a qualified gunsmith.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded before beginning installation.
- Remove the existing barrel from the firearm according to the manufacturer's instructions.
- Align the new 10/22® Threaded Bull Contour Straight Fluted Barrel with the receiver.
- Securely tighten the barrel using the appropriate tools, ensuring it is properly fitted.
- Check for any gaps or misalignments before proceeding.

2. Usage:

- Load the firearm with the appropriate .22 LR ammunition.
- Always verify that the barrel is securely attached before use.
- Follow standard shooting practices and guidelines for safety.
- After use, clean the barrel to maintain performance and longevity.

Disposal Instructions

- Dispose of any damaged or worn barrels in accordance with local regulations.
- Do not dispose of firearms or firearm components in regular household waste.
- Contact local hazardous waste disposal facilities for guidance on proper disposal methods.

Contact Information for Further Support

For any safety inquiries or support regarding your 10/22® Threaded Bull Contour Straight Fluted Barrels, please consult your local dealer or a qualified firearms expert.

Note: This guide is intended to provide general safety information. For specific concerns or questions, it is recommended to seek professional advice.
