

# 308 CALIBER (0.308") CONTROLLED CHAOS LEAD-FREE HUNTING BULLETS - LEHIGH DEFENSE 308 CAL (0.308") 140GR CONTROLLED CHAOS LF BULLETS 50/BOX

[Reloading](#) > [Bullets](#) > [Rifle Bullets](#)

Once fluid is impacted, these bullets shed the front portion of the bullet into multiple petals that radiate outward away from the bullet's initial trajectory path resulting in a massive energy spike. The bore diameter base of the bullet continues and penetrates deeply in a straight line. Both the temporary and permanent wound cavity created by this bullet separation is dramatic resulting in quick incapacitation. The solid base creates additional tissue damage and often results in full penetration of the animal. The Controlled Chaos doesn't expand or fragment when it impacts hard barriers like drywall, only when it impacts fluid, where it expands, fractures and does its devastation. No other bullet on the market offers the accuracy and repeatable terminal performance of the Controlled Chaos.

## Attributes

- Name: [LEHIGH DEFENSE 308 CAL \(0.308"\) 140GR CONTROLLED CHAOS LF BULLETS 50/BOX](#)
- Manufacturer: [LEHIGH DEFENSE](#)
- Product no.: 430100229
- Mfr. No.:
- Ballistic Coefficient (G1): 0.224
- Brand Style: Controlled Chaos
- Bullet Style: Controlled Fracturing Hollow Point
- Caliber: 308 Caliber
- Diameter (Breech): 0.308
- Diameter (in): 0.308
- Grain: 140
- Sectional Density: 0.211
- Quantity: 50
- Delivery weight: 0.517kg

## Item details

Made in USA

US export classification: 0A505.x

# Consumer Safety Instruction Guide for 308 Caliber Controlled Chaos LeadFree Hunting Bullets

## Introduction

Thank you for choosing the 308 Caliber (0.308") Controlled Chaos LeadFree Hunting Bullets by Lehigh Defense. This guide provides important safety instructions to ensure the safe and effective use of this product. Please read and understand the guidelines carefully before use.

## General Safety Guidelines

- Always treat every bullet as if it is loaded.
- Store ammunition in a cool, dry place away from direct sunlight and moisture.
- Keep bullets out of reach of children and unauthorized users.
- Use only in firearms that are specifically designed for 308 caliber ammunition.
- Always wear appropriate eye and ear protection when handling or firing ammunition.
- Be aware of your surroundings and ensure a clear shooting area before firing.
- Do not modify or alter the bullets in any way.

## Specific Safety Precautions for Use

### • Potential Hazards:

- Risk of accidental discharge if not handled properly.
- Risk of injury from misfires or improper use.
- Environmental hazards if not disposed of correctly.

### • Instructions for Avoiding Hazards:

- Always check the firearm's chamber and magazine to ensure they are empty before loading.
- Follow the manufacturer's instructions for your firearm.
- Do not use bullets that show signs of damage or corrosion.
- Avoid using the bullets in firearms not rated for this caliber.

### • AgeSpecific Warnings:

- This product is not intended for use by individuals under the age of 18.
- Ensure adult supervision when young adults are handling or using this product.

## Instructions for Installation and Usage

### • Loading the Bullets:

- Ensure the firearm is pointed in a safe direction.
- Open the action of the firearm and visually inspect the chamber to confirm it is clear.
- Load the bullets into the magazine according to the manufacturer's instructions for your specific firearm.

### • Firing the Bullets:

- Ensure that you are in a safe shooting environment.

- Wear eye and ear protection.
- Firmly grip the firearm and align your sights on the target.
- Squeeze the trigger gently and steadily to fire.

- **PostFiring Procedures:**

- After firing, keep the firearm pointed in a safe direction.
- Open the action to check for any misfires or obstructions.
- Store the firearm and ammunition safely after use.

## **Disposal Instructions**

- Dispose of used or damaged bullets in accordance with local regulations.
- Do not throw bullets in regular household waste.
- Contact local authorities or waste disposal facilities for proper disposal methods.

## **Contact Information for Further Support**

For any safety inquiries or additional support regarding the 308 Caliber Controlled Chaos LeadFree Hunting Bullets, please refer to the official Lehigh Defense website or contact the appropriate EUbased support channels.

By following these safety instructions, you can ensure a safe and effective experience with your 308 Caliber Controlled Chaos LeadFree Hunting Bullets. Always prioritize safety and responsible use. Thank you for your attention to these important guidelines.
