

# 458 CALIBER (0.458") XTREME PENETRATOR FTM LEAD-FREE BULLETS - LEHIGH DEFENSE 458 CAL (0.458") 302GR XTREME PENETRATOR LF BULLETS 50/BOX

[Reloading](#) > [Bullets](#) > [Rifle Bullets](#)

The progressive nose geometry allows for deep, straight penetration while creating a permanent wound cavity diameter exceeding that of most expanding bullets. To top it off, the bullet is solid copper and is able to overcome barriers to penetration, is environmentally friendly and VERY target unfriendly. Penetrating barriers such as drywall or heavy clothing prior to impacting the intended target doesn't have the potentially negative effect on the Xtreme Defense that it does to conventional hollow point bullets. The magic happens with the nose design where the Fluid Transfer's radial flutes force the hydraulic energy inward and then as the energy is restricted, it accelerates outward creating high pressure spikes severely damaging surrounding tissue. This very rapid increase in fluid flow creates cavitation and massive tissue damage away from the projectile equivalent to those of the best hollow points on the market. This results in a permanent wound cavity that is two to four times greater than what a flat or round nose bullet generates and often larger than traditional or solid copper expanding bullets. change and creates a larger permanent wound cavity coupled with the desired 18 inches of penetration.

## Attributes

- Name: [LEHIGH DEFENSE 458 CAL \(0.458"\) 302GR XTREME PENETRATOR LF BULLETS 50/BOX](#)
- Manufacturer: [LEHIGH DEFENSE](#)
- Product no.: 430100234
- Mfr. No.: 07458302SP
- Ballistic Coefficient (G1): 0.211
- Brand Style: Xtreme Penetrator
- Bullet Style: Fluid Transfer Monolithic (FTM)
- Caliber: 458 Caliber
- Diameter (Breech): 0.458
- Diameter (in): 0.458
- Grain: 302
- Sectional Density: 0.206
- Quantity: 50
- Delivery weight: 1.043kg
- Shipping height: 57mm
- Shipping width: 83mm
- Shipping length: 127mm
- UPC: 810025508012

## Item details

Made in USA

US export classification: 0A505.x

# Consumer Safety Instruction Guide for 458 Caliber (0.458") Xtreme Penetrator FTM LeadFree Bullets

## Introduction

Thank you for choosing the 458 Caliber (0.458") Xtreme Penetrator FTM LeadFree Bullets by Lehigh Defense. This guide provides essential safety information to ensure the safe and effective use of this product. Please read this guide carefully and follow all instructions to minimize risks associated with handling and using these bullets.

## General Safety Guidelines

- **Product Safety:** Ensure safe use of these bullets by following all instructions and guidelines provided. This product is designed for use in firearms; misuse can lead to serious injury or death.
- **Enhanced Recalls:** Stay informed about any recalls or safety notices regarding this product. If a recall is issued, follow the instructions provided for returning or disposing of the product.
- **Online Shopping:** If purchased online, ensure that the seller complies with safety regulations and that the product meets EU safety standards.
- **Special Consumer Focus:** Keep this product out of reach of children and vulnerable individuals. This product is not intended for use by persons under the legal age for purchasing ammunition.
- **EU Contact Point:** For safety inquiries related to this product, please refer to the manufacturer's contact information, which should be available at the point of purchase.
- **Rapid Alerts:** Be aware of the EU's Safety Gate platform for updates on unsafe products and recalls.

## Specific Safety Precautions for Use

- **Handling:**
  - Always handle bullets with care. Treat every bullet as if it is loaded.
  - Store bullets in a cool, dry place away from heat sources and direct sunlight.
- **Usage:**
  - Only use these bullets in firearms that are specifically designed for .458 caliber ammunition.
  - Ensure that the firearm is in good working condition before use.
- **Protective Gear:**
  - Wear appropriate eye and ear protection when shooting.
- **Environmental Considerations:**
  - Dispose of any spent cartridges and bullets in accordance with local regulations.
  - Do not leave spent ammunition in areas where children or animals may access them.

## Instructions for Installation and Usage

- **Installation:**
  - Follow the manufacturer's instructions for loading these bullets into your firearm. Ensure the firearm is unloaded before attempting to load or unload ammunition.
- **Usage:**
  - When ready to shoot, ensure that you are in a safe location and that a proper backstop is in place.
  - Aim only at targets that are safe and appropriate for shooting.
  - Keep the firearm pointed in a safe direction at all times.
  - Avoid distractions while handling or shooting the firearm.
- **PostUsage:**
  - After shooting, clean your firearm according to the manufacturer's instructions to maintain its performance and safety.

## **Disposal Instructions**

- Dispose of any unused or expired bullets in accordance with local laws and regulations.
- Do not dispose of bullets in regular household waste.
- Contact local waste management authorities for guidance on proper disposal methods.

## **Contact Information for Further Support**

For any questions or concerns regarding the 458 Caliber (0.458") Xtreme Penetrator FTM LeadFree Bullets, please refer to the manufacturer's contact information provided at the point of purchase.

By following these guidelines, you can help ensure a safe experience when using the 458 Caliber (0.458") Xtreme Penetrator FTM LeadFree Bullets. Always prioritize safety and responsibility when handling ammunition.
