

MATCH GRADE BARRELS FOR GLOCK® 20 - BROWNEllS BRN PISTOL BARREL FOR GLOCK 20,10MM,NON-THREAD, BLK NITRIDE

[Handgun Parts](#) > [Barrel Parts](#) > [Barrels](#)

Our Match-Grade Barrel for the Glock® 20 fits ALL generations of G20. It's an excellent replacement for a shot-out factory barrel or for completing a pistol based on the G20 platform. And it's the ideal tube for a custom gun built on a Polymer80 frame with a Brownells Slide on top! Each Brownells Match-Grade Barrel for Glock® 20 is machined from hardened 416R stainless steel to precise dimensions, so it's a drop-in fit on most guns. The tight lockup helps ensure superb accuracy, too. The extra-hard Black Nitride finish resists surface wear and stops in its tracks whatever corrosion might try to challenge the stainless steel. This 9mm Luger (9x19mm) chambered barrel is button-rifled with standard, 1-10" right-hand, 6-groove rifling that is compatible with "practice" ammo with non-jacketed bullets. Fits Glock® 20 Button-rifled 1-10" twist 416R stainless steel Non-reflective Black Nitride anti-corrosion finish. Threaded model available with 9/16-24 tpi threads. Our match barrel for Glock® 20 is available with either a Plain muzzle with an 11-degree target crown or Threaded (9/16-24 tpi) to enable installation of a compensator or sound suppressor. Both are laser-engraved with the chambering and the Glock model it fits.

Attributes

Safety Instruction Guide for MATCH GRADE BARRELS FOR GLOCK® 20

Introduction

Thank you for choosing the MatchGrade Barrel for your Glock® 20. This safety instruction guide is designed to ensure the safe use and maintenance of your product in compliance with the EU General Product Safety Regulation (GPSR). Please read this guide carefully to understand the necessary precautions and instructions.

General Safety Guidelines

- Always treat your firearm with respect and handle it as if it is loaded.
- Ensure that you are legally allowed to possess and use a firearm in your jurisdiction.
- Store your barrel and firearm in a secure location, out of reach of children and unauthorized users.
- Regularly inspect your barrel for signs of wear or damage before use.
- Follow all local laws and regulations regarding firearm use and maintenance.

Specific Safety Precautions for Use

- Use only compatible ammunition as specified for the Glock® 20, which is 10mm Auto.
- Ensure that the barrel is properly installed and secured before use.
- Do not attempt to modify or alter the barrel in any way.
- Always wear appropriate eye and hearing protection when firing your firearm.
- Never point your firearm at anything you do not intend to shoot.
- Be aware of your surroundings and ensure that you have a safe backdrop before firing.

Instructions for Installation and Usage

Installation

1. Ensure that the firearm is unloaded and the magazine is removed.
2. Remove the existing barrel from your Glock® 20 by following the manufacturer's instructions.
3. Insert the MatchGrade Barrel into the slide, ensuring it fits snugly.
4. Reassemble the slide and frame according to the manufacturer's guidelines.
5. Check that the barrel is securely locked in place before proceeding.

Usage

- Always conduct a function check before firing to ensure that the firearm operates correctly.
- Use only standard, nonjacketed bullets when firing with the MatchGrade Barrel.
- After each use, clean the barrel thoroughly to maintain performance and prevent corrosion.
- If you notice any signs of malfunction or damage, cease use immediately and consult a qualified gunsmith.

Disposal Instructions

- Dispose of the barrel in accordance with local laws and regulations regarding firearm components.
- If the barrel is damaged or no longer usable, consider recycling the metal components where applicable.
- Do not discard the barrel in regular household waste.

Contact Information for Further Support

For any inquiries regarding safety or product performance, please refer to the manufacturer's contact

information included with your purchase. It is important to have access to support for any questions or concerns you may have.

Conclusion

By following these safety guidelines and instructions, you can ensure the safe use of your MatchGrade Barrel for Glock® 20. Always prioritize safety and remain informed about best practices in firearm handling and maintenance. Thank you for choosing our product, and enjoy your shooting experience responsibly.
