Constructed with the same ingenuity and reliability found in Magpul's hardware, the Magpul Tejas Gun Belt - "Cibolo" is a beautiful American-made gun belt ready for your everyday wear. This 3-ply belt is crafted from a solid, one-piece strap of 100% American bison hide, reinforced with North American bull hide, which is then backed by a supporting, flexible polymer reinforcement. The result is a comfortable and refined belt that's strong enough to carry your pistol. The 100% American bison hide is extremely durable, pliable, and features a natural distressed look. It measures 1-1/2" wide and 1/4" thick, so it will fit most belt loops and holsters comfortably. Eight holes provide precise 3/4" spacing for a wide adjustment range. The belt includes an easily removable buckle, engineered with a sleek profile design that sits flat against the waist and helps reduce printing when you're carrying.
