

# EXPANDER WING MK 2 - SPIRITUS SYSTEMS EXPANDER WING MK 2, COYOTE BROWN

[Shooting Accessories](#) > [Tactical Gear](#) > [Accessories](#)

The Expander Wing Mk 2 was built as direct replacement for the original Spiritus Systems Micro Fight Expander Wing Set with a focus on enhancing the product's functionality for plate carriers. The wing attaches to a Micro Fight Chassis or 556 Placard with a Velcro flap and can be mounted for increased storage capacity on a chest rig or under the cummerbunds of a LV/119.

Unlike its predecessor, the Expander Wing Mk 2 is completely reversible, and can be used on either the right or left side of the torso without any reduction in functionality or storage capacity. Spiritus Systems sells the Expander Wing Mk 2 individually for end users who do not require a full set for their loadout. (Reminder: If you want a set of these, make sure to add TWO to the cart.)

Wings used for chest rigs are mounted to the soft loop Velcro field on the back side of the Micro Fight Chest Rig. They also utilize Spiritus Systems unique loop over design that attaches to your Fat or Skinny straps to ensure a comfortable and stable attachment that will not sag even with heavy items placed inside. When used in conjunction with plate carriers, the Expander Wing Mk 2 will integrate with both Velcro and TUBES cummerbunds. The wing features a TUBES bar pass-through so the cummerbund can be attached or separated without the need to remove the expander wing. The Expander Wing Mk 2 is designed to hug the body which reduces their signature and securely holds items in place. The base Expander Wing Mk 2 pocket depth is 6" however, the adjustable internal retention strap can be lengthened or shortened to create the perfect pocket depth for your items. The top of the pocket also features double eyelets and a bungee retention kit, so radios and magazines remain secure during periods of movement. The expander wing will hold most small & medium caliber rifle magazines as well as a variety of radio platforms like the MPU5, 152, 163, and smaller units like Motorola XTS 5000.

## Attributes

- Name: [SPIRITUS SYSTEMS EXPANDER WING MK 2, COYOTE BROWN](#)
- Manufacturer: [SPIRITUS SYSTEMS](#)
- Product no.: 430100523
- Mfr. No.: CR-EW-CB-02

# EXPANDER WING MK 2 Safety Instruction Guide

## Introduction

Thank you for choosing the EXPANDER WING MK 2 by Spiritus Systems. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your product. Please read this guide carefully before installation and use.

## General Safety Guidelines

- Ensure the product is used in accordance with the manufacturer's instructions to prevent accidents and injuries.
- Regularly inspect the EXPANDER WING MK 2 for any signs of wear or damage before each use.
- Do not overload the pockets beyond their intended capacity, as this may compromise safety and functionality.
- Keep the product away from extreme heat sources, chemicals, and sharp objects that may cause damage.
- Ensure that the product is securely attached to your equipment before use to avoid accidental detachment.

## Specific Safety Precautions for Use

- The EXPANDER WING MK 2 is designed for adult users. It is not intended for use by children without adult supervision.
- When using the product in conjunction with plate carriers or chest rigs, ensure all attachments are secure and properly aligned.
- Be cautious when adjusting the internal retention strap to avoid pinching or injury.
- Use the double eyelets and bungee retention kit to secure items, ensuring they do not shift or fall during movement.
- If you experience any discomfort while wearing the EXPANDER WING MK 2, remove it immediately and assess the cause.

## Instructions for Installation and Usage

### 1. Attachment to Micro Fight Chassis or 556 Placard:

- Align the Velcro flap of the EXPANDER WING MK 2 with the corresponding Velcro field on the Micro Fight Chassis or 556 Placard.
- Press firmly to ensure a secure attachment.

### 2. Mounting on Chest Rig:

- Locate the soft loop Velcro field on the back side of the Micro Fight Chest Rig.
- Attach the EXPANDER WING MK 2 to this field, ensuring it is securely fastened.

### 3. Using with Plate Carriers:

- Integrate the EXPANDER WING MK 2 with either Velcro or TUBES cummerbunds as needed.
- Utilize the TUBES bar passthrough feature for easy attachment and detachment without removing the wing.

### 4. Adjusting Pocket Depth:

- Use the adjustable internal retention strap to modify the pocket depth according to your items.

- Lengthen or shorten the strap as needed to create a snug fit for your gear.

#### **5. Securing Items:**

- Place items such as magazines or radios into the pockets, ensuring they are properly seated.
- Use the bungee retention kit and double eyelets to secure items, preventing them from falling out during movement.

## **Disposal Instructions**

- At the end of its lifecycle, dispose of the EXPANDER WING MK 2 in accordance with local regulations for textile and plastic waste.
- Do not dispose of the product in regular household waste.

## **Contact Information for Further Support**

For any safety inquiries or product support, please refer to the manufacturer's contact information provided with your purchase.

## **Conclusion**

By following these safety instructions, you can ensure the safe use of the EXPANDER WING MK 2. Always prioritize safety and functionality to maximize your experience with this product. Thank you for your attention to these guidelines.
