

FAT STRAP - SPIRITUS SYSTEMS FAT STRAP, COYOTE BROWN

[Shooting Accessories](#) > [Tactical Gear](#) > [Chest Rigs](#)

Configure your rig for stand alone wear with our Micro Fight Fat Straps. Brilliance in the Basics means that we constructed these without complicated yoke systems or unnecessary features. This reduced profile design includes horizontal webbing and elastic mounting points for hanging Push-To-Talks or weaving cables and water carrier tubes. A Velcro loop patch on the back completes the Straps for placement of name tapes or IR Markers. The FAT STRAP is a single strap. You do NOT need to order two to complete your Micro Fight Chest Rig. You only need to order ONE. NOTE: The FAT STRAP is part of the Micro Fight Chest Rig System. This item does not include the chassis, back strap, magazine inserts, or any other accessories. Some images are shown with optional accessories, sold separately.

Safety Instruction Guide for FAT STRAP SPIRITUS SYSTEMS FAT STRAP, COYOTE BROWN

Introduction

Thank you for choosing the FAT STRAP SPIRITUS SYSTEMS FAT STRAP. This product is designed to enhance your Micro Fight Chest Rig experience, providing a secure and efficient way to carry your gear. To ensure safe and effective use, please read this safety instruction guide carefully.

General Safety Guidelines

- Ensure that the FAT STRAP is used only for its intended purpose as part of the Micro Fight Chest Rig System.
- Regularly inspect the strap for any signs of wear or damage before each use.
- Keep the strap away from sharp objects and extreme heat sources to prevent damage.
- Store the strap in a cool, dry place when not in use.
- Be cautious when using the strap in environments where it may become entangled with other equipment or obstacles.
- If you notice any defects or damage, discontinue use immediately and consult a qualified professional.

Specific Safety Precautions for Use

- The FAT STRAP is designed for adult use only. It is not intended for children under the age of 18.
- Ensure that the strap is securely attached to your Micro Fight Chest Rig before use.
- Do not overload the strap with excessive weight; adhere to the manufacturer's recommended load limits.
- Avoid using the strap in situations where it may pose a risk of injury, such as during physical activities that involve significant movement or impact.
- Be aware of your surroundings when using the strap to prevent accidental injuries to yourself or others.

Instructions for Installation and Usage

1. Installation of the FAT STRAP:

- Lay your Micro Fight Chest Rig flat on a clean, stable surface.
- Locate the designated attachment points on the rig for the FAT STRAP.
- Thread the strap through the attachment points, ensuring it is oriented correctly.
- Adjust the strap to achieve a comfortable fit, ensuring it is snug but not overly tight.
- Secure any loose ends of the strap using the Velcro loop patch provided.

2. Usage Instructions:

- Before wearing, ensure all attachments are secure and the strap is properly adjusted.
- When wearing the rig, distribute the weight evenly to avoid strain on your body.
- Use the horizontal webbing and elastic mounting points to attach any additional accessories, such as PushToTalk devices or water carrier tubes, as needed.
- Regularly check the fit and security of the strap during use, especially if engaging in active movement.

Disposal Instructions

- When the FAT STRAP reaches the end of its life cycle or is no longer usable, dispose of it in accordance with local regulations.
- If the strap is made from materials that can be recycled, please recycle it properly.

- Do not burn the strap, as this may release harmful substances.
