

BACK PANEL GP FLAP - SPIRITUS SYSTEMS BACK PANEL GP FLAP, BLACK

[Home](#)

*** This product attaches to the ASSAULT BACK PANEL CORE. It is NOT standalone and requires a Core to function properly.*** GP Flap The GP Flap is a single pocket zip on attachment to our Assault Back Panel Core. It consists of one pocket that measures 10" x 6" x 2.5" The pocket was built to store extra items that may be needed on an operation such as medical equipment or roll up flex linear charges. The pocket features a half zippered closure to prevent items from inadvertently dumping out unzipping the pouch. Inside the pocket there is Velcro loop lined on both sides for the addition of hook Velcro accessories. There are also two tie down locations on the interior for securing sensitive items. The GP Flap has two built-in channels behind the pocket that allows for the storage of linear items, such as Slap Charges and Breach Pens. The front of the pocket offers a smaller zippered stash pocket for organizing smaller items and features a loop Velcro field that measures 2" x 9" for attaching placards or velcro patches. The GP flap is attached to the Assault Back Panel Core by a separating dual zipper, 3 directional snaps and a hook/loop Velcro field. Some images show with optional accessories, sold separately.

BACK PANEL GP FLAP Safety Instruction Guide

Introduction

Thank you for choosing the BACK PANEL GP FLAP by SPIRITUS SYSTEMS. This guide provides essential safety information and instructions for the proper use and maintenance of the product. Please read this guide carefully to ensure safe and effective use.

General Safety Guidelines

- Ensure that the BACK PANEL GP FLAP is used only in conjunction with the ASSAULT BACK PANEL CORE.
- Always check for any visible damage to the product before use. Do not use if damaged.
- Store the product in a dry, cool place to maintain its integrity.
- Keep the product away from children and vulnerable individuals unless supervised by a responsible adult.
- Regularly inspect the attachment points and zippers for wear and tear.

Specific Safety Precautions for Use

- **Hazard Identification:**
 - Risk of items falling out if the pocket is not properly zipped.
 - Potential for injury if the product is not securely attached to the Core.
- **Avoiding Hazards:**
 - Always ensure that the half zippered closure is fully secured before moving.
 - Use the tiedown locations inside the pocket to secure sensitive items.
 - Do not overload the pocket beyond its capacity (10" x 6" x 2.5").
 - Avoid placing sharp objects in the pocket that may puncture the fabric.
- **Age Specific Warnings:**
 - This product is not intended for use by children. Ensure it is stored out of reach.

Instructions for Installation and Usage

- **Installation:**
 1. Attach the GP Flap to the ASSAULT BACK PANEL CORE using the separating dual zipper.
 2. Secure the GP Flap with the 3 directional snaps.
 3. Ensure the hook/loop Velcro field is firmly pressed together for a secure attachment.
- **Usage:**
 - Use the main pocket to store items such as medical equipment or rollup flex linear charges.
 - Utilize the smaller zippered stash pocket for organizing smaller items.
 - Attach placards or Velcro patches to the loop Velcro field measuring 2" x 9".
 - Ensure that any linear items stored in the builtin channels are secured to prevent movement.

Disposal Instructions

- When disposing of the BACK PANEL GP FLAP, follow local regulations for textile waste.
- If the product is damaged beyond repair, consider recycling the fabric if possible.
- Do not dispose of the product in regular household waste if it contains hazardous materials.

Contact Information for Further Support

For any safety inquiries or additional support regarding the BACK PANEL GP FLAP, please refer to the product packaging or visit the manufacturer's website for contact details.

Thank you for your attention to these safety guidelines. Your safety is our priority.
