Safety Instruction Guide for TENSPEED M4 CHEST RIG

Introduction

Thank you for choosing the Blue Force Ten Speed M4 Chest Rig. This guide provides essential safety instructions to ensure the safe and effective use of your chest rig. Please read this document carefully before using the product.

General Safety Guidelines

- Ensure that the chest rig is used only for its intended purpose, which is to carry magazines and other tactical gear.
- Regularly inspect the chest rig for any signs of wear and tear. Do not use the product if it is damaged.
- Keep the chest rig away from fire and extreme heat sources to prevent damage to the materials.
- Ensure all straps and closures are secure before use to prevent accidental release or injury.
- Store the chest rig in a cool, dry place when not in use to maintain its integrity and longevity.

Specific Safety Precautions for Use

- This product is not designed for children. Keep it out of reach of minors.
- When wearing the chest rig over body armor, ensure that both the rig and armor are fitted correctly to avoid movement that could lead to injury.
- Be cautious when attaching or detaching items from the MOLLE fields to avoid pinching fingers or causing other injuries.
- Avoid overloading the chest rig with excessive weight as this may affect balance and mobility.
- If using the rig in a tactical situation, ensure that all equipment is secured and does not obstruct movement.

Instructions for Installation and Usage

1. Adjusting the Chest Rig:

- Loosen all straps before putting on the chest rig.
- Slip the rig over your head or place it on your body, ensuring it sits comfortably.
- Tighten the shoulder straps and waist straps until the rig fits snugly but does not restrict movement.

2. Attaching Magazines:

- Place 30round AR15 / M4 magazines into the designated mag pouches.
- Ensure that the magazines are securely held in place and that the pouch closures are fastened.

3. Using the Internal Document Pocket:

- Access the internal document pocket by opening the hook and loop closure.
- Place documents or other flat items inside, ensuring they fit securely within the pocket.

4. Using MOLLE Fields:

- Attach compatible accessories to the 3" x 3" MOLLE fields on each side of the chest rig.
- Ensure that all attachments are secure and do not interfere with the rig's primary function.

5. Removing the Chest Rig:

- Loosen the straps before removing the chest rig to avoid any sudden jerks.
- Carefully lift the rig over your head or slide it off your body.

Disposal Instructions

- Dispose of the chest rig responsibly, following local regulations for textile and plastic waste.
- If the product is damaged beyond repair, consider recycling materials where possible.
- Do not burn the product as it may release harmful substances.

Contact Information for Further Support

For any safety inquiries or further assistance, please refer to the contact information provided with your product.

By following these guidelines, you can ensure a safe and effective experience with your Blue Force Ten Speed M4 Chest Rig. Thank you for prioritizing safety!
