

MICRO TRAUMA KIT NOW! ESSENTIALS SUPPLIES - BLUE FORCE GEAR MICRO TRAUMA KIT NOW! ESSENTIAL SUPPLIES BELT MOUNT ODG

[Emergency & Survival Gear](#) > [First Aid](#) > [First Aid Kits](#)

The Micro Trauma Kit NOW!, or Micro TKN, is the smallest version of the Trauma Kit NOW! for every day carry. It is designed to hold essential lifesaving medical supplies on a belt. The Micro TKN was designed as an Every Day Carry trauma kit for law enforcement professionals, prepared citizens, or hunters. Deployment of critical first aid supplies can be done with one hand or a single finger from either the left or right side by pulling the BLIP featured pull tabs. The Micro TKN consists of two main components - the outer MOLLE or Belt mounted pouch utilizing the Ten-Speed technology, and a removable insert that keeps medical supplies organized. The Essentials Kit Includes: Trauma Gloves (1x Pair) Quickclot Bleeding Control Dressing (1x) Mini Compression Dressing (1x) Hypothermia Blanket - Orange/Silver (1x) Flat Fold Tape (1x)

Micro Trauma Kit NOW! Essentials Supplies

Safety Instructions

Introduction

Thank you for choosing the Micro Trauma Kit NOW! Essentials Supplies by Blue Force Gear. This kit is designed for everyday carry and contains essential lifesaving medical supplies. Please read this safety instruction guide thoroughly to ensure safe and effective use of the product.

General Safety Guidelines

- Ensure the kit is used only for its intended purpose as a first aid supply.
- Keep the kit out of reach of children unless supervised by an adult.
- Regularly check the contents of the kit for expiration dates and replace items as necessary.
- Do not use any item in the kit if it is damaged or has been previously opened.
- In case of an emergency, always seek professional medical assistance in addition to using the kit.

Specific Safety Precautions for Use

- Trauma Gloves:
 - Use gloves when dealing with blood or bodily fluids to prevent contamination.
 - Dispose of gloves properly after use.
- Quickclot Bleeding Control Dressing:
 - Apply directly to the wound with pressure for effective bleeding control.
 - Do not remove the dressing once applied; seek medical help for further treatment.
- Mini Compression Dressing:
 - Use for controlling bleeding in smaller wounds.
 - Ensure it is secured properly to maintain pressure on the wound.
- Hypothermia Blanket:
 - Use to prevent or treat hypothermia by wrapping the affected person.
 - Ensure the blanket is placed correctly for maximum effectiveness.
- Flat Fold Tape:
 - Use for securing dressings in place.
 - Avoid applying tape directly to open wounds to prevent further injury.

Instructions for Installation and Usage

1. Accessing the Kit:

- The Micro TKN can be accessed easily with one hand or a single finger.
- Pull the BLIP featured pull tabs from either the left or right side to deploy the supplies.

2. Using the Supplies:

- Follow the specific safety precautions listed for each item when using the supplies.
- Always ensure that the area is safe before administering first aid.

3. Storage and Maintenance:

- Store the kit in a cool, dry place away from direct sunlight.
- Regularly inspect the kit to ensure all items are present and in good condition.

Disposal Instructions

- Dispose of any used or expired items in accordance with local regulations.
- Do not throw away items in regular household waste if they are contaminated with blood or bodily fluids; follow biohazard disposal guidelines.

Contact Information for Further Support

For any inquiries regarding the Micro Trauma Kit NOW! Essentials Supplies, please contact your local distributor or visit the manufacturer's website for support and additional information.

By following these safety instructions, you can ensure that you are prepared to use the Micro Trauma Kit NOW! effectively and safely. Stay safe and be prepared!
