# TOURNIQUET NOW! Pouch Safety Instructions

## Introduction

Thank you for choosing the TOURNIQUET NOW! Pouch by BLUE FORCE GEAR. This pouch is designed to securely carry a tourniquet on your belt, ensuring that you have a critical lifesaving device readily available. This guide provides essential safety instructions to ensure safe usage and compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Ensure that the pouch is properly mounted on your belt before use.
- Regularly check the pouch for signs of wear or damage.
- Keep the pouch and its contents out of reach of children to prevent accidental use.
- Always follow the manufacturer's instructions for the tourniquet you are using.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about recalls by checking the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- **Hazard Identification:** Improper use of a tourniquet can lead to severe injury or death. The pouch is not a toy and should not be used for any purpose other than carrying a tourniquet.
- **Avoiding Hazards:** Ensure that the pouch is securely attached to your belt before engaging in any activities. Do not overload the pouch with items other than a tourniquet. Use only compatible tourniquets (e.g., CAT, SOF, RATS, TK4, SWATT) for optimal safety and effectiveness.

## Instructions for Installation and Usage

### 1. Installation:

- Slide the pouch onto your belt, ensuring it is positioned for easy access.
- The pouch fits on any pants belt or duty belts up to 2 inches wide.
- Ensure that the pouch is securely fastened and does not move during activities.

### 2. Usage:

- In an emergency, quickly access the pouch and retrieve the tourniquet.
- Follow the specific instructions provided with your tourniquet for proper application.
- Practice using the tourniquet with a training device to ensure familiarity in an emergency.

## Disposal Instructions

- Dispose of any damaged or expired tourniquets according to local regulations.
- The pouch itself should be disposed of in accordance with local waste management guidelines.
- Do not incinerate the pouch or its contents.
