

# TOURNIQUET NOW! POUCH EMPTY BELT MOUNT COYOTE BROWN

[Emergency & Survival Gear](#) > [First Aid](#) > [First Aid Kits](#)

The Belt Mounted Tourniquet NOW! Pouch allows you to carry a tourniquet on your belt – easily the most effective life saving device. Whether a trip to the mall, the office, or through the woods – a tourniquet should always be with you. The Pouch fits on any pants belt or duty belts up to 2” wide. The Tourniquet NOW! Pouch was designed around the CAT tourniquet but can fit the SOF, RATS, TK4, SWAT-T, or other similar sized tourniquets with some unpackaging and rearranging.

# TOURNIQUET NOW! POUCH Safety Instruction Guide

## Introduction

Thank you for choosing the TOURNIQUET NOW! Pouch. This product is designed to provide you with a reliable way to carry a tourniquet, ensuring you are prepared for emergencies. This guide provides essential safety instructions to ensure the safe and effective use of the product in compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Ensure that the TOURNIQUET NOW! Pouch is used only for its intended purpose.
- Regularly inspect the pouch for any signs of wear or damage.
- Always keep the pouch clean and free from obstructions.
- Store the pouch in a location that is easily accessible in case of emergency.
- Be aware of the specific tourniquet models that fit within the pouch and ensure compatibility.
- Keep the pouch out of reach of children when not in use to prevent any misuse.

## Specific Safety Precautions for Use

- Before using the pouch, familiarize yourself with the tourniquet's instructions for use.
- Ensure the pouch is securely attached to your belt before engaging in any activities.
- Do not overload the pouch with additional items that may hinder its functionality.
- In case of an emergency, follow the proper procedures for applying a tourniquet as outlined in the tourniquet's user manual.
- If you experience any difficulty accessing the pouch or the tourniquet, seek assistance immediately.

## Instructions for Installation and Usage

### Installation

1. **Choose a Suitable Belt:** Ensure that you have a belt that is up to 2 inches wide.
2. **Attach the Pouch:**
  - Slide the pouch onto your belt.
  - Ensure it is positioned for easy access.
3. **Secure the Pouch:** Make sure the pouch is firmly in place and will not slide or fall off during movement.

### Usage

1. **Accessing the Tourniquet:**
  - In an emergency, quickly locate the pouch on your belt.
  - Carefully open the pouch to retrieve the tourniquet.
2. **Applying the Tourniquet:**
  - Follow the instructions provided with the tourniquet for proper application.
  - Ensure that the tourniquet is applied correctly to stop bleeding effectively.

## Disposal Instructions

- Dispose of the TOURNIQUET NOW! Pouch responsibly when it is no longer needed or is damaged beyond repair.
- Follow local regulations for the disposal of textile products.
- If the pouch contains any medical supplies, ensure they are disposed of according to medical waste

guidelines.

## **Contact Information for Further Support**

For any inquiries regarding the TOURNIQUET NOW! Pouch, please contact the manufacturer or your local distributor. Always ensure that you are obtaining information from verified sources.
