## Introduction

Thank you for choosing the Birchwood Casey Universal Front Rest Bag (Medium). This guide provides important safety information, usage instructions, and disposal guidelines to ensure your product is used safely and effectively. Please read this guide carefully before using the product.

## General Safety Guidelines

- Always inspect the product before use to ensure it is in good condition and free from damage.
- Use the product only for its intended purpose as a front rest for shooting.
- Keep the product out of reach of children and vulnerable individuals when not in use.
- Report any unsafe conditions or incidents to the appropriate authorities.
- Regularly check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Ensure that the shooting rest is stable and secure before placing any firearms on it.
- Do not overload the front rest bag beyond its designed capacity.
- Avoid using the product in wet or damp conditions, as this may affect its performance and safety.
- Always follow safe shooting practices and guidelines when using the rest bag.
- Do not use the product as a replacement for proper firearm handling and safety procedures.

## Instructions for Installation and Usage

### 1. Connecting the Bag:

- Use the straps to thread through the designated openings on the front rest.
- Attach the straps securely to ensure the bag is held firmly in place.

### 2. Adjusting for Forend Sizes:

- Select the appropriate bag shape based on the size of the firearm's forend.
- Ensure a snug fit to maximize stability during use.

### 3. Using the Front Rest Bag:

- Place the bag on a stable shooting platform.
- Position your firearm on the bag, ensuring it is adequately supported.
- Make any necessary adjustments to the bag's position for optimal alignment.

### 4. Changing Bags:

- If switching between different bags, use the hook and loop straps for quick and easy changeout.
- Ensure that the new bag is securely attached before using it.

## Disposal Instructions

- Dispose of the product in accordance with local regulations for waste disposal.
- Do not incinerate or expose the product to extreme heat, as this may release harmful substances.
- Consider recycling options for the materials if available in your area.
