# Safety Instruction Guide for STEEL SPINNING TARGET SYSTEM FOR 22 CALIBER

## Introduction

Thank you for choosing the STEEL SPINNING TARGET SYSTEM FOR 22 CALIBER. This product is designed for safe and enjoyable shooting experiences. Please read this safety instruction guide carefully to ensure proper use and to minimize risks associated with the product.

## General Safety Guidelines

- Ensure the product is used in accordance with local laws and regulations regarding firearms and shooting targets.
- Always wear appropriate eye and ear protection when using this target system.
- Inspect the target system before each use to ensure it is in good condition and free from damage.
- Keep the shooting area clear of unauthorized persons, especially children and pets.
- Report any unsafe conditions or product malfunctions to the appropriate authorities.
- Stay informed about product recalls and safety updates via the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Use only with firearms that are .22 caliber or lower.
- Ensure the target is placed on a stable surface to prevent tipping or falling.
- Do not attempt to modify or alter the target system in any way.
- Avoid shooting at the target from distances closer than recommended (typically 10 meters).
- Be aware of your surroundings and ensure that the area behind the target is clear of people and structures.
- Do not use the target in adverse weather conditions (e.g., high winds, rain) that could affect stability and safety.

## Instructions for Installation and Usage

### Installation

1. **Choose a Location:** Select a safe and open area for installation, ensuring it is free from obstructions and bystanders.
2. **Set Up the Base:** If using the folding support arms, securely attach them to the base of the target. Ensure they are locked in place.
3. **Position the Targets:** Arrange the three floating targets in a visible and accessible manner. Ensure they are properly secured to prevent movement during use.

### Usage

1. **Load Your Firearm:** Ensure your firearm is loaded correctly according to the manufacturer's instructions.
2. **Aim Safely:** Always aim your firearm downrange towards the target, ensuring no one is in the line of fire.
3. **Fire:** Take your shot at the target. Reload your firearm as necessary, following all safety protocols.
4. **Check Targets:** After shooting, check the condition of the targets and the target system for any damage or wear before resuming use.

## Disposal Instructions

- Dispose of the target system responsibly at a designated recycling facility or according to local waste

disposal regulations.

- Ensure that any damaged parts are disposed of safely to prevent injury to others.

## **Contact Information for Further Support**

For any inquiries or assistance regarding the STEEL SPINNING TARGET SYSTEM FOR 22 CALIBER, please refer to the manufacturer's contact information provided with the product packaging or visit the manufacturer's website for more details.

By following these safety instructions, you can ensure a safe and enjoyable experience with your STEEL SPINNING TARGET SYSTEM FOR 22 CALIBER. Thank you for your attention to safety.
