# Safety Instruction Guide for STEEL SPINNING TARGET SYSTEM FOR 22 CALIBER SHOOTING

## Introduction

Thank you for choosing the STEEL SPINNING TARGET SYSTEM FOR 22 CALIBER SHOOTING. This guide provides essential safety instructions and guidelines to ensure a safe and enjoyable experience while using the product. Please read this guide thoroughly before using the target system.

## General Safety Guidelines

- Ensure the product is used in accordance with the specifications and guidelines provided.
- Always use the target system in a controlled environment, away from people, animals, and property.
- Regularly inspect the target system for any signs of damage or wear before each use.
- Keep the target system clean and free from debris to maintain visibility and functionality.
- Follow all local laws and regulations regarding the use of firearms and shooting targets.
- Store the target system in a safe and secure location when not in use.

## Specific Safety Precautions for Use

- This target system is designed for use with firearms up to 22 caliber only. Do not use with higher caliber firearms.
- Always wear appropriate eye and ear protection while shooting.
- Ensure that all spectators maintain a safe distance from the shooting area.
- Do not attempt to modify or alter the target system in any way.
- In case of a malfunction or failure of the target system, cease use immediately and consult a qualified professional.
- Do not shoot at the target system if it is not securely set up or if the target is unstable.

## Instructions for Installation and Usage

### 1. Installation:

- Choose a flat and stable surface for setting up the target system.
- If using the folding support arms, ensure they are fully extended and locked in place.
- Position the target system at a safe distance according to local shooting regulations.
- Ensure that the three floating targets are securely attached and functioning properly.

### 2. Usage:

- Before shooting, ensure that the area is clear of people and obstacles.
- Load your firearm according to the manufacturer's instructions.
- Take aim and shoot at the target system.
- After each round, check the target system for any damage or instability.
- Reload your firearm as necessary, maintaining awareness of your surroundings.

## Disposal Instructions

- When the target system has reached the end of its life or is no longer usable, dispose of it in accordance with local waste disposal regulations.
- Recycle metal components if possible, following local recycling guidelines.

## **Contact Information for Further Support**

For any safety inquiries or concerns regarding the STEEL SPINNING TARGET SYSTEM FOR 22 CALIBER SHOOTING, please consult your retailer or manufacturer for assistance.

By following these guidelines and instructions, you can ensure a safe and enjoyable experience with your STEEL SPINNING TARGET SYSTEM. Always prioritize safety and responsible use while enjoying your shooting activities.
