Safety Instruction Guide for STEEL FRAME DOUBLE PAPER TARGET STAND

Introduction

Thank you for choosing the STEEL FRAME DOUBLE PAPER TARGET STAND from Shooting Made Easy. This product is designed to provide a stable and reliable platform for your shooting practice. To ensure your safety and the safety of others, please read and follow the safety instructions outlined in this guide.

General Safety Guidelines

- Always prioritize safety when using the target stand.
- Ensure that the target stand is set up in a safe and secure area away from people and animals.
- Regularly inspect the target stand for any signs of wear or damage before each use.
- Use only the recommended paper targets and metal clips provided with the stand.
- Keep children and pets at a safe distance when the target stand is in use.
- Familiarize yourself with the local laws and regulations regarding shooting activities.

Specific Safety Precautions for Use

- Ensure that the target stand is placed on a flat and stable surface to prevent tipping.
- Do not exceed the weight limit of the target stand; use only the specified type of targets.
- Avoid using the target stand in adverse weather conditions, such as high winds or heavy rain.
- Always wear appropriate eye and ear protection when participating in shooting activities.
- Never leave the target stand unattended while in use.
- If you notice any instability or damage to the target stand during use, cease use immediately and inspect the equipment.

Instructions for Installation and Usage

Installation Steps

1. **Select a Location:** Choose a flat, open area away from people and animals.
2. **Unpack the Stand:** Carefully remove the target stand and all components from the packaging.
3. **Assemble the Stand:**
 - Attach the trident footer securely to the base of the stand.
 - Ensure that the top horizontal bar is adjustable and locked in place.
4. **Attach Paper Targets:**
 - Use the provided metal clips to secure the paper targets to the top horizontal bar.
 - Make sure the targets are evenly spaced and securely attached.

Usage Instructions

- Position the target stand at a safe distance from your shooting position.
- Ensure that the area behind the target stand is clear of people, animals, and any obstructions.
- Confirm that the target stand is stable before beginning to shoot.
- After shooting, inspect the target stand for any damage or wear.

Disposal Instructions

When the target stand has reached the end of its useful life, please dispose of it responsibly. Follow these guidelines:

- Check local regulations for disposal of metal products.

- If possible, recycle the steel components to minimize environmental impact.
- Do not dispose of the target stand in regular household waste.
