Chamber Safety Flags Shooting Made Easy Safety Instruction Guide

Introduction

Thank you for choosing the Chamber Safety Flags from Shooting Made Easy. These flags are designed to enhance safety during the handling and storage of firearms. This guide provides essential safety instructions and guidelines to ensure the safe use of this product in compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Always treat every firearm as if it is loaded.
- Use the Chamber Safety Flag to indicate that a firearm is unloaded and safe.
- Store firearms securely and out of reach of children and unauthorized users.
- Regularly inspect the Chamber Safety Flags for signs of wear or damage before each use.
- Report any unsafe products or accidents to local authorities.
- Check for recall updates regularly on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Ensure the firearm is completely unloaded before inserting the Chamber Safety Flag.
- Do not use the flag as a tool for purposes other than indicated in the product description.
- Keep the flags out of reach of children and pets to prevent accidental misuse.
- Do not modify or alter the Chamber Safety Flag in any way.
- Use the flag only with compatible firearms: semiauto pistols, rifles, and shotguns.

Instructions for Installation and Usage

1. Inserting the Chamber Safety Flag

- Open the action of the firearm to ensure it is unloaded.
- Carefully insert the Chamber Safety Flag into the chamber of the firearm.
- Ensure that the flag is fully seated in the chamber and visible from the exterior.

2. Using the Flag for Tools

- The end of the flag can be used as a nonmarring pin punch.
- Use it to push out takedown or pivot pins on an AR15/M16 or trigger pins on other firearms.
- The flat edge of the flag head can be used on scope windage and elevation knobs instead of a slot head screwdriver.

3. Removing the Chamber Safety Flag

- Open the action of the firearm.
- Gently pull the flag out of the chamber.
- Store the flag in a safe place when not in use.

Disposal Instructions

- Dispose of any damaged or worn Chamber Safety Flags responsibly.
- Follow local regulations for the disposal of plastic materials.
- If the flag is no longer needed, consider recycling it where facilities exist.

Contact Information for Further Support

For any inquiries regarding the Chamber Safety Flags or safety concerns, please reach out to the designated EU contact point provided with your product packaging.

Thank you for prioritizing safety in your firearm handling and training practices. Stay safe and responsible.
