BULLET LASER BORE SIGHTING SYSTEM SAFETY INSTRUCTIONS

Introduction

Thank you for choosing the BULLET LASER BORE SIGHTING SYSTEM from SHOOTING MADE EASY. This product is designed to enhance your shooting accuracy with precision machined components. To ensure safe and effective use, please read and follow these safety instructions carefully.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the product for any signs of damage or wear.
- Follow all local laws and regulations regarding the use of laser devices.
- Do not point the laser at eyes or reflective surfaces to avoid injury.
- Report any unsafe products or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- Always wear appropriate eye protection when using the laser bore sighting system.
- Avoid using the device in wet or damp conditions to prevent electrical hazards.
- Never disassemble or modify the product as this may compromise safety.
- Use the product only with the specified caliber (22 Long Rifle).
- Be aware of your surroundings and ensure that no one is in the line of sight when using the laser.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Insert the laser bore sighting system into the chamber of the firearm until it is securely in place.
- Close the action of the firearm carefully, ensuring that the bore sight does not fall out.

2. Usage:

- Activate the laser by pressing the designated button on the bore sighting system.
- Align the laser dot with the target at a safe distance.
- Adjust the sights of the firearm as necessary based on the laser's position.
- After use, remove the bore sight from the chamber and store it in a safe place.

Disposal Instructions

- Dispose of the product in accordance with local regulations for electronic waste.
- Do not throw the product in regular household waste.
- Remove batteries if applicable and dispose of them according to local battery recycling guidelines.

Contact Information for Further Support

For any inquiries or concerns regarding the safety and use of the BULLET LASER BORE SIGHTING SYSTEM, please refer to the contact information provided in the product packaging or visit the manufacturer's website.

By following these safety instructions, you can ensure a safe and effective experience with your BULLET LASER

BORE SIGHTING SYSTEM. Thank you for your attention to these important safety guidelines.
