

RAZOR TACTI-GRIP MUFFS - WALKERS GAME EAR RAZOR TACTI-GRIP MUFF BLACK

[Shooting Accessories](#) > [Ear & Eye Protection](#) > [Ear Muffs](#)

The Walker's Razor Slim Low Profile Electronic Earmuffs feature a Noise Reduction Rating (NRR) of 21 dB, and utilized sound activated compression (SAC) of 0.02 seconds. SAC is a special electronic circuitry that will compress gun shots and other loud noises down to a safe level, without completely shutting the noise off. This allows you to hear range commands or communicate with your hunting partners, even when shots are being fired around you. Your hearing cannot be replaced, so make sure you pick up a set of Walker's Razor Electronic Earmuffs for your next trip to the woods or range. Walker's RAZOR -"TACTI-GRIP" high performance silicone composite headband ensures a slip free, secure fit. Omnidirectional Microphones Low noise/Frequency tuned for natural sound clarify Full dynamic range HD Speakers for clear balanced sound Sound activated compression Sound dampening composite housing 3.5mm audio jack

RAZOR TACTIGRIP MUFFS WALKERS GAME EAR

Safety Instruction Guide

Introduction

Thank you for choosing the Walker's Razor TactiGrip Muff. These electronic earmuffs are designed to provide effective hearing protection while allowing communication in noisy environments. This guide provides essential safety instructions to ensure safe use and compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Ensure proper fit of the earmuffs for optimal noise reduction.
- Always inspect the earmuffs before each use for any signs of damage.
- Do not modify or alter the earmuffs in any way.
- Keep the earmuffs away from water and extreme temperatures.
- Store the earmuffs in a dry, cool place when not in use.
- Use only the recommended audio devices with the 3.5mm audio jack.
- Children should use the product under adult supervision.

Specific Safety Precautions for Use

- **Hearing Protection:** The earmuffs feature a Noise Reduction Rating (NRR) of 21 dB. Ensure they are worn correctly to maximize protection against loud noises.
- **Sound Activated Compression:** The earmuffs use soundactivated compression (SAC) to protect your hearing from sudden loud sounds while allowing you to hear softer sounds. Be aware that SAC has a response time of 0.02 seconds.
- **Communication:** While the earmuffs allow for communication, be cautious when hearing commands or conversations in the presence of gunfire or other loud noises.
- **Vulnerable Groups:** Extra care should be taken when the earmuffs are used by children or individuals with hearing impairments.

Instructions for Installation and Usage

1. Fitting the Earmuffs:

- Adjust the headband to fit snugly but comfortably on your head.
- Ensure that the ear cups fully cover your ears without gaps.

2. Connecting Audio Devices:

- Locate the 3.5mm audio jack on the earmuffs.
- Connect your audio device using a compatible 3.5mm audio cable.
- Ensure the volume is set at a safe level to avoid hearing damage.

3. Using the Earmuffs:

- Turn on the earmuffs before use to activate the electronic features.
- Test the functionality by making sounds near the earmuffs to ensure they respond appropriately.
- For optimal performance, avoid using the earmuffs in extremely noisy environments without proper hearing protection.

4. Maintenance:

- Regularly clean the earmuffs with a soft, dry cloth.
- Do not use abrasive cleaners or solvents that could damage the earmuffs.

Disposal Instructions

- Dispose of the earmuffs in accordance with local regulations for electronic waste.
- Remove batteries if applicable and dispose of them separately in designated battery recycling bins.
- Do not dispose of the earmuffs in regular household waste.

Contact Information for Further Support

For any inquiries regarding safety or product issues, please contact the designated EUbased contact point for assistance.

By following these safety instructions, you can ensure a safe and enjoyable experience with your Walker's Razor TactiGrip Muff. Remember, your hearing is irreplaceable; prioritize your safety while enjoying your activities.
