RAZOR FREEDOM SERIES MUFFS Safety Instruction Guide

Introduction

Thank you for choosing the Razor Freedom Series Muff. This product is designed to provide highquality sound and comfort while ensuring your safety during use. Please read this safety instruction guide carefully to understand how to use the product safely and effectively.

General Safety Guidelines

- Always ensure that the product is used according to the manufacturer's instructions.
- Regularly inspect the product for any signs of damage or wear. If any damage is found, discontinue use immediately.
- Keep the product out of reach of children to prevent accidental use or injury.
- Use the product only for its intended purpose, which is to provide hearing protection in noisy environments.
- In case of an emergency or malfunction, contact the manufacturer for further instructions.

Specific Safety Precautions for Use

- Do not expose the product to extreme temperatures or humidity.
- Avoid using the product in environments with high levels of static electricity.
- Ensure that the ear cups fit snugly and comfortably around your ears to provide adequate noise reduction.
- Do not modify or alter the product in any way, as this may compromise its safety features.
- If you experience any discomfort or hearing issues while using the product, discontinue use immediately and consult a healthcare professional.

Instructions for Installation and Usage

1. Unpacking the Product

- Carefully remove the Razor Freedom Series Muff from its packaging.
- Ensure all components are included: ear muffs, audio input jack, and batteries.

2. Installing the Batteries

- Open the external battery door located on the side of the ear muffs.
- Insert two "AAA" batteries as indicated by the polarity markings inside the compartment.
- Close the battery door securely.

3. Adjusting the Headband

- Adjust the headband to fit comfortably on your head.
- Ensure that the ear cups are positioned over your ears for optimal sound quality and noise reduction.

4. Using the Audio Input Jack

- Connect your audio device to the audio input jack using a compatible audio cable.
- Adjust the volume control knob to your preferred listening level.

5. Sound Activated Compression

- The sound activated compression feature will automatically adjust the sound levels to protect your hearing. Ensure this feature is engaged before use.

6. Folding and Storing

- After use, fold the ear muffs for compact storage.
- Store the product in a cool, dry place away from direct sunlight.

Disposal Instructions

- Dispose of the product in accordance with local regulations regarding electronic waste.
- Remove the batteries before disposal and recycle them according to your local battery recycling program.
- Do not dispose of the product in regular household waste.

Contact Information for Further Support

For any inquiries regarding safety or product issues, please contact the manufacturer directly. Ensure you have your product details ready for reference.

By following these safety instructions, you can ensure a safe and enjoyable experience with your Razor Freedom Series Muff. Stay safe and enjoy your listening experience!
