RAZOR FREEDOM SERIES MUFFS WALKERS GAME EAR Safety Instruction Guide

Introduction

Thank you for purchasing the Razor Freedom Series Muff from Walkers Game Ear. This product is designed to provide hearing protection while enhancing your auditory experience. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

General Safety Guidelines

- Ensure that the product is used according to the manufacturer's instructions.
- Regularly inspect the product for any signs of wear or damage.
- Keep the product away from children and vulnerable individuals unless supervised.
- Do not use the product in hazardous environments where hearing protection is required.
- Report any unsafe product conditions to the relevant authorities.
- Check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Hearing Protection:** The Razor Freedom Muff provides a Noise Reduction Rating (NRR) of 23 dB. Ensure that you are aware of your environment while using the product.
- **Battery Safety:** Use only the recommended 2 "AAA" batteries. Do not mix old and new batteries or different battery types.
- **Comfort and Fit:** Adjust the headband for a secure fit. Ensure that the ear cups fully cover your ears for optimal sound protection.
- **Avoid Moisture:** Keep the product dry and away from water to prevent damage to the electronic components.
- **Volume Control:** Adjust the volume control to a comfortable level to avoid hearing damage.

Instructions for Installation and Usage

1. Battery Installation:

- Open the external battery door.
- Insert 2 "AAA" batteries as indicated by the polarity markings.
- Close the battery door securely.

2. Adjusting the Headband:

- Place the ear muffs over your ears.
- Adjust the headband to ensure a snug fit without discomfort.

3. Using the Audio Input Jack:

- Connect your audio device to the audio input jack.
- Use the volume control knob to adjust the sound level to a comfortable setting.

4. Turning On the Product:

- Ensure the batteries are installed correctly.
- Activate the product by pressing the power button, if applicable.

5. Sound Activated Compression:

- The product features soundactivated compression with a 0.02 second reaction time. This helps protect your hearing from sudden loud noises.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Batteries should be disposed of separately in designated battery recycling bins.
- Do not throw the product in household waste.

Contact Information for Further Support

For any inquiries regarding safety or product issues, please contact your local distributor or the manufacturer's customer service. Ensure that you have your product details ready for a more efficient response.

By following these guidelines, you can ensure a safe and enjoyable experience with your Razor Freedom Series Muff. Thank you for your attention to these safety instructions.
