

# RAZOR SLIM SHOOTER FOLDING ELECTRONIC MUFF - WALKERS GAME EAR RAZOR SLIM ELECTRONIC MUFFS BATTLE BROWN

[Shooting Accessories](#) > [Ear & Eye Protection](#) > [Ear Muffs](#)

## A Compact, Foldable Set of Hearing Protection Muffs

Users of over-ear hearing-protection muffs have always been plagued by the issues associated with extra bulk over their ears. For shooters, this is especially a problem, since in many cases, it prevents rifle shooters or shotgunners from getting a perfect cheek weld on their gun. The Walkers Razor Slim Electronic Muffs are designed to minimize those issues, thanks to a compact, slim design that can be folded down for easy storage. Each pair of Walkers XCEL Razor Slim Electronic Muffs features Sound Activated Compression, as well as Full Dynamic Range HD Speakers and two Hi-Gain Omnidirectional Microphones that all work in conjunction to provide premium sound reduction and enhancement in a compact package. The earmuffs are powered by two AAA batteries, and the redesigned headband provides enhanced comfort. The unit provides 23 decibels of sound reduction.

# RAZOR SLIM SHOOTER FOLDING ELECTRONIC MUFF SAFETY INSTRUCTIONS

## Introduction

Thank you for choosing the RAZOR SLIM SHOOTER FOLDING ELECTRONIC MUFF. These electronic earmuffs are designed to provide effective hearing protection while enhancing your auditory experience in shooting and other noisy environments. This guide outlines essential safety instructions to ensure your safe and effective use of this product in compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose as hearing protection in shooting and other loud environments.
- Regularly inspect the earmuffs for any signs of damage or wear. Do not use if damaged.
- Store the earmuffs in a dry, cool place when not in use to prevent damage to electronic components.
- Keep the earmuffs away from children and vulnerable individuals unless under adult supervision.
- Follow all local laws and regulations regarding the use of hearing protection in shooting activities.

## Specific Safety Precautions for Use

- **Hearing Protection:** The earmuffs provide 23 decibels of sound reduction. Always wear them when exposed to loud noises to prevent hearing damage.
- **Battery Safety:** Use only two AAA batteries as specified. Do not mix old and new batteries or different brands.
- **Comfort and Fit:** Adjust the headband for a snug yet comfortable fit. A loose fit may reduce effectiveness.
- **Environmental Considerations:** Avoid using the earmuffs in extreme temperatures or wet conditions, as this may affect performance.
- **Microphone Use:** Be aware that the builtin microphones enhance ambient sounds. Ensure you are aware of your surroundings while using the product.

## Instructions for Installation and Usage

### 1. Battery Installation:

- Open the battery compartment located on the earmuffs.
- Insert two AAA batteries, ensuring correct polarity (+/-) as indicated inside the compartment.
- Close the compartment securely.

### 2. Adjusting the Headband:

- Hold the earmuffs with both hands.
- Adjust the headband by sliding it to fit comfortably over your head.
- Ensure the earmuffs fully cover your ears for optimal protection.

### 3. Using the Earmuffs:

- Place the earmuffs over your ears and ensure they are snugly fitted.
- Turn on the earmuffs using the power button, if applicable.
- Test the sound activated compression feature by making noise or clapping your hands to ensure proper functionality.

#### **4. Storage:**

- When not in use, fold the earmuffs for compact storage.
- Store in a protective case or bag to prevent damage.

## **Disposal Instructions**

- Dispose of the earmuffs and batteries in accordance with local regulations.
- Do not dispose of batteries in regular household waste. Instead, use designated battery recycling facilities.
- For electronic components, check local electronic waste disposal guidelines.

## **Contact Information for Further Support**

For any inquiries regarding safety or product performance, please refer to the manufacturer's contact details provided with your product packaging.

By following these safety instructions, you can ensure the effective use of your RAZOR SLIM SHOOTER FOLDING ELECTRONIC MUFF while protecting your hearing and enhancing your shooting experience. Thank you for prioritizing safety.
