## A Set of Earmuffs That Provide Passive Support

Active hearing-protection equipment relies on electronics to provide noise reduction, and these muffs also often work to amplify select sounds in a shooter's environment, allowing them to communicate. However, these muffs are often pricey options, meaning many shooters have just a pair for themselves. If you're taking friends to the range, make sure they have hearing protection, too, and these Walkers Razor Slim Passive Muffs are an effective, affordable option, so you can have multiple pairs on-hand. Each pair of Walkers Razor Slim Passive Earmuffs have slim, low-profile earcups that won't get in the way of a solid cheek weld, and the wire-reinforced headband provides comfort for all-day wear. When you're done shooting, these muffs collapse into a compact, easily carried package that you can stash in your range bag for future use. Total NRR is 27 decibels.

## RAZOR SLIM PASSIVE MUFF CORAL Safety

### Instruction Guide

#### Introduction

Thank you for choosing the Walkers Razor Slim Passive Muffs. These earmuffs are designed to provide effective hearing protection while allowing for communication in shooting environments. Please read this safety instruction guide carefully to ensure safe and effective use of your product.

#### General Safety Guidelines

- Always inspect the earmuffs before use for any signs of damage or wear.
- Ensure that the earmuffs fit snugly over your ears to provide optimal noise reduction.
- Do not use the earmuffs if they are damaged or do not fit properly.
- Keep the earmuffs clean and dry to maintain their effectiveness.
- Store the earmuffs in a cool, dry place when not in use.
- Be aware of your surroundings and maintain situational awareness while wearing the earmuffs.

#### Specific Safety Precautions for Use

- These earmuffs are designed for adult use. Keep them out of reach of children.
- Do not modify the earmuffs in any way, as this may compromise their safety and effectiveness.
- Do not use the earmuffs in environments where there is a risk of entanglement or other physical hazards.
- If you experience discomfort or a decrease in hearing protection while using the earmuffs, remove them immediately.
- Avoid exposure to extreme temperatures, as this may affect the materials and performance of the earmuffs.

#### Instructions for Installation and Usage

##### 1. Fitting the Earmuffs:

- Hold the earmuffs by the headband.
- Position the earmuffs over your ears, ensuring that the earcups cover your ears completely.
- Adjust the headband to fit comfortably on your head without excessive pressure.

##### 2. Using the Earmuffs:

- Wear the earmuffs whenever you are in a noisy environment, especially while shooting.
- Ensure that the earmuffs are securely in place before engaging in any shooting activities.

##### 3. After Use:

- Carefully remove the earmuffs by grasping the headband and lifting them off your head.
- Clean the earmuffs with a soft, damp cloth to remove any dirt or sweat.
- Collapse the earmuffs to store them in a compact form for easy transport.

#### Disposal Instructions

- When the earmuffs reach the end of their life cycle or are no longer needed, dispose of them in accordance with local waste disposal regulations.

- Do not incinerate the earmuffs, as this may release harmful substances.
- Consider recycling the materials if local facilities are available.

## **Contact Information for Further Support**

For any inquiries regarding safety or product support, please refer to the manufacturer's contact information included with your product packaging.

By following these guidelines, you can ensure the safe and effective use of your Walkers Razor Slim Passive Muffs. Thank you for prioritizing your hearing protection.
