[Emergency & Survival Gear](#) > [First Aid](#) > [First Aid Kits](#)

The Micro Trauma Kit NOW! - PLUS+ is 30% larger than the original BFG micro medic kit (MTKN). This medical pouch is for those users who want the design of the MTKN but need to carry a full-size pressure dressing and chest seal. Available with a MOLLE med kit mount that adapts to plate carriers, vests, battle belts or other MOLLE compatible surfaces. It offers the same high speed access to your medical gear as the other BFG MED MTKN and TKN trauma first aid pouches. ESSENTIALS INCLUDES: Trauma Gloves (Rolled 1x Pair), QuikClot Bleeding Control Dressing (1x), Emergency Trauma Dressing 6" (1x), Hypothermia Blanket (1x), Flat Fold Tape (1x), and Pressure Device (1x) PRO INCLUDES: Trauma Gloves (Rolled 1x Pair), QuikClot Combat Gauze LE (1x - black), Emergency Trauma Dressing 6" (1x), Hypothermia Blanket (1x) Flat Fold Tape (1x), Pressure Device (1x), and Full Size Chest Seal (1x Twin Pack) ADVANCED INCLUDES: Trauma Gloves (Rolled 1x Pair), QuikClot Combat Gauze (1x - green), Emergency Trauma Dressing 6" (1x), Hypothermia Blanket (1x) Flat Fold Tape (1x), Full Size Chest Seal (1x Twin Pack), Nasopharyngeal Airway (1x), and Decompression Needle (1x)

# MICRO TRAUMA KIT NOW! PLUS+ Safety Instruction Guide

## Introduction

Thank you for choosing the MICRO TRAUMA KIT NOW! PLUS+ by BLUE FORCE GEAR. This medical pouch is designed to provide essential first aid supplies for emergencies. It is 30% larger than the original micro medic kit, allowing you to carry a fullsize pressure dressing and chest seal. This guide provides important safety instructions to ensure safe use and compliance with EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- **Product Safety:** Ensure that the kit is used only for its intended purpose. Always follow the instructions provided in this guide.
- **Enhanced Recalls:** Stay informed about any product recalls. If notified, follow the instructions for returning or disposing of the product.
- **Online Shopping:** When purchasing online, ensure that the seller meets safety requirements and provides clear product information.
- **Special Consumer Focus:** This kit is not intended for use by children without adult supervision. Keep out of reach of children.
- **EU Contact Point:** For any safety inquiries, please refer to the designated EU contact point associated with this product.
- **Rapid Alerts:** Regularly check the EU's Safety Gate platform for updates on product safety and recalls.

## Specific Safety Precautions for Use

- **Hazard Identification:**
  - The kit contains medical supplies that may cause allergic reactions. Always check for allergies before use.
  - Improper use of medical equipment can lead to injury. Ensure you are trained in first aid procedures.
- **Avoiding Hazards:**
  - Do not use expired products. Check expiration dates regularly.
  - Ensure that the kit is stored in a cool, dry place to prevent damage to medical supplies.
  - Inspect the kit regularly for any signs of damage or contamination.
- **Audience Specific Warnings:**
  - This kit is designed for adults and should not be used by children without adult supervision.
  - Individuals with specific medical conditions should consult a healthcare professional before using any medical supplies in this kit.

## Instructions for Installation and Usage

- **Installation:**
  - Attach the MOLLE med kit mount to a compatible surface, such as a plate carrier, vest, or battle belt.
  - Ensure that the attachment is secure and that the kit is easily accessible.
- **Usage:**
  - In the event of an emergency, locate the kit quickly.
  - Open the kit and identify the necessary supplies.
  - Follow the instructions for using each item, which may include:
    - **Trauma Gloves:** Wear gloves before administering first aid to prevent contamination.
    - **QuikClot Bleeding Control Dressing:** Apply to bleeding wounds according to the instructions provided on the packaging.

- **Emergency Trauma Dressing:** Use as directed for severe injuries.
- **Hypothermia Blanket:** Wrap the injured person to maintain body heat.
- **Flat Fold Tape:** Secure dressings in place.
- **Pressure Device:** Use as directed for controlling severe bleeding.
- **Chest Seal:** Apply to open chest wounds as instructed.
- **Nasopharyngeal Airway and Decompression Needle:** Use only if trained and certified in their application.
- **PostUse:**
  - Dispose of any used medical supplies according to local regulations.
  - Replenish the kit with necessary supplies after use.

## Disposal Instructions

- **Disposal of Used Items:**
  - Dispose of used medical supplies in accordance with local regulations for hazardous waste.
- **Disposal of the Kit:**
  - If the kit is damaged beyond repair, dispose of it responsibly in accordance with local waste management guidelines.

## Contact Information for Further Support

For safety inquiries or product support, please refer to the designated EU contact point associated with this product. Ensure you have the product details available for any inquiries.

By following these safety instructions, you can ensure the effective and safe use of the MICRO TRAUMA KIT NOW! PLUS+. Always prioritize safety and seek professional medical assistance in emergencies.
