

# **MICRO TRAUMA KIT NOW! - PLUS+ - BLUE FORCE GEAR MICRO TRAUMA KIT NOW!-PLUS+-MOLLE-ESSENTIAL-RANGER GREEN**

[Emergency & Survival Gear](#) > [First Aid](#) > [First Aid Kits](#)

The Micro Trauma Kit NOW! - PLUS+ is 30% larger than the original BFG micro medic kit (MTKN). This medical pouch is for those users who want the design of the MTKN but need to carry a full-size pressure dressing and chest seal.

Available with a MOLLE med kit mount that adapts to plate carriers, vests, battle belts or other MOLLE compatible surfaces. It offers the same high speed access to your medical gear as the other BFG MED MTKN and TKN trauma first aid pouches. ESSENTIALS INCLUDES: Trauma Gloves (Rolled 1x Pair), QuikClot Bleeding Control Dressing (1x), Emergency Trauma Dressing 6" (1x), Hypothermia Blanket (1x), Flat Fold Tape (1x), and Pressure Device (1x) PRO INCLUDES: Trauma Gloves (Rolled 1x Pair), QuikClot Combat Gauze LE (1x - black), Emergency Trauma Dressing 6" (1x), Hypothermia Blanket (1x) Flat Fold Tape (1x), Pressure Device (1x), and Full Size Chest Seal (1x Twin Pack) ADVANCED INCLUDES: Trauma Gloves (Rolled 1x Pair), QuikClot Combat Gauze (1x - green), Emergency Trauma Dressing 6" (1x), Hypothermia Blanket (1x) Flat Fold Tape (1x), Full Size Chest Seal (1x Twin Pack), Nasopharyngeal Airway (1x), and Decompression Needle (1x)

# Safety Instruction Guide for MICRO TRAUMA KIT NOW! PLUS+

## Introduction

Thank you for choosing the MICRO TRAUMA KIT NOW! PLUS+. This medical pouch is designed for users who require a compact yet comprehensive first aid solution. It is essential to read and understand the safety guidelines outlined in this document to ensure safe and effective use of the product.

## General Safety Guidelines

- Ensure that the kit is stored in a cool, dry place away from direct sunlight.
- Regularly check the contents of the kit to ensure all items are present and in good condition.
- Keep the kit out of reach of children and vulnerable individuals unless they are under adult supervision.
- Familiarize yourself with the contents and their uses before an emergency occurs.
- Report any unsafe products or incidents to the appropriate authorities.
- Stay updated on any recall notices through the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Trauma Gloves:
  - Always wear gloves when providing first aid to prevent contamination and protect yourself from bodily fluids.
- QuikClot Products:
  - Follow the instructions provided with QuikClot products carefully to ensure effective bleeding control.
- Emergency Trauma Dressing:
  - Ensure the dressing is applied correctly to avoid further injury.
- Hypothermia Blanket:
  - Use the blanket to prevent heat loss in injured individuals, especially in cold environments.
- Flat Fold Tape:
  - Ensure the tape is applied securely to avoid loosening during use.
- Chest Seal:
  - Follow the manufacturer's instructions for applying the chest seal to ensure proper function.
- Nasopharyngeal Airway:
  - Only trained individuals should use this device. Incorrect use can cause injury.
- Decompression Needle:
  - This device should only be used by trained personnel. Improper use can lead to serious injury.

## Instructions for Installation and Usage

### Installation

#### 1. Mounting the Kit:

- Use the MOLLE med kit mount to attach the kit securely to a plate carrier, vest, or battle belt.
- Ensure the kit is easily accessible in case of an emergency.

### Usage

#### 1. Assess the Situation:

- Before using the kit, assess the situation and ensure it is safe to provide assistance.

#### 2. Wear Trauma Gloves:

- Always put on trauma gloves before attending to any injuries.

#### 3. Use the Appropriate Tools:

- Select the necessary items from the kit based on the injuries present.

**4. Follow Instructions:**

- Adhere to the instructions provided for each item in the kit to ensure effective treatment.

**5. Monitor the Patient:**

- Continuously monitor the condition of the injured person and provide updates to emergency services if necessary.

## **Disposal Instructions**

- Dispose of used or expired items in accordance with local regulations.
- Do not dispose of items in regular household waste if they are biohazardous or potentially harmful.
- Consult local waste management authorities for proper disposal methods.

## **Contact Information for Further Support**

For any questions or concerns regarding the MICRO TRAUMA KIT NOW! PLUS+, please refer to the manufacturer's contact information provided with your product. It is important to have access to support for any safety inquiries or additional information.

Thank you for your attention to these safety guidelines. We hope the MICRO TRAUMA KIT NOW! PLUS+ serves you well in any emergency situation.
