# **Safety Instruction Guide for MICRO TRAUMA KIT NOW! PLUS+**

## **Introduction**

Thank you for choosing the MICRO TRAUMA KIT NOW! PLUS+ by BLUE FORCE GEAR. This comprehensive medical pouch is designed to provide essential first aid supplies for emergency situations. Please read this safety instruction guide thoroughly to ensure safe and effective use of the product.

## **General Safety Guidelines**

- Ensure the kit is stored in a cool, dry place away from direct sunlight.
- Regularly check the contents of the kit for expiration dates and replace any expired items.
- Keep the kit out of reach of children unless under adult supervision.
- Familiarize yourself with the contents and intended use of each item in the kit.
- In case of any injury or emergency, seek professional medical assistance immediately.

## **Specific Safety Precautions for Use**

- Use trauma gloves when handling blood or bodily fluids to prevent contamination.
- Ensure that all dressings and gauze are sterile before use to reduce the risk of infection.
- Follow the instructions provided with each item, particularly for QuikClot and other bleeding control products.
- Be cautious when using the decompression needle; improper use can cause injury.
- Ensure the nasopharyngeal airway is correctly sized for the user to avoid airway obstruction.

## **Instructions for Installation and Usage**

### **1. Mounting the Kit:**

- Attach the MOLLE med kit mount to your plate carrier, vest, or battle belt using the MOLLE webbing system.
- Ensure the kit is securely fastened and easily accessible.

### **2. Using the Kit:**

- In case of a medical emergency, quickly access the kit.
- Put on trauma gloves before administering first aid.
- Use the QuikClot Bleeding Control Dressing to control severe bleeding.
- Apply the Emergency Trauma Dressing over any wounds and secure it in place.
- Use the hypothermia blanket to prevent shock in injured individuals.
- Follow the instructions for any additional items as needed.

## **Disposal Instructions**

- Dispose of used medical supplies, such as gloves, dressings, and gauze, in accordance with local regulations for hazardous waste.
- Do not dispose of medical items in regular household waste to prevent contamination and ensure safe disposal.
