

TRAUMA KIT NOW! - SMALL - BLUE FORCE GEAR TRAUMA KIT NOW! SMALL - MOLLE - PRO SUPPLIES - BLACK

[Emergency & Survival Gear](#) > [First Aid](#) > [First Aid Kits](#)

The Trauma Kit NOW! - SMALL is the newest med kit from Blue Force Gear. Designed in response to customers who loved the features and design of the TKN-MEDIUM but needed a smaller pouch. This MOLLE medical pouch is 30% smaller than the TKN-MEDIUM. The TKN-SMALL utilizes the single-motion pull out the top design of the original TKN but in the familiar size and format of a Double / Triple (stacked) M4 magazine pouch. ESSENTIALS INCLUDES: Trauma Gloves (Rolled 2x Pair), QuikClot Bleeding Control Dressing (1x - white), Emergency Trauma Dressing 6" (1x), Hypothermia Blanket (1x) Flat Fold Tape (1x), and Compressed Gauze (1x) PR INCLUDES: Trauma Gloves (Rolled 2x Pair), QuikClot Combat Gauze LE (1x - black), Emergency Trauma Dressing 6" (1x), Hypothermia Blanket (1x), Flat Fold Tape (1x), Compressed Gauze (1x), and Full Size Chest Seal (1x Twin Pack) ADVANCED INCLUDES: Trauma Gloves (Rolled 2x Pair), QuikClot Combat Gauze (1x - green), Emergency Trauma Dressing 6" (1x), Hypothermia Blanket (1x), Flat Fold Tape (1x), Compressed Gauze (1x), Full Size Chest Seal (1x Twin Pack), Nasopharyngeal Airway (1x), and Decompression Needle (1x)

Trauma Kit NOW! SMALL Safety Instruction Guide

Introduction

Thank you for choosing the Trauma Kit NOW! SMALL by Blue Force Gear. This medical kit is designed for quick access to essential trauma supplies in emergency situations. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

General Safety Guidelines

- Ensure the kit is stored in a cool, dry place away from direct sunlight.
- Regularly check the contents of the kit for expiration dates and replace any expired items.
- Keep the kit out of reach of children unless under adult supervision.
- Do not use any items in the kit for purposes other than their intended medical use.
- Always follow the instructions provided with each item in the kit.

Specific Safety Precautions for Use

- Trauma Gloves:
 - Always wear gloves when administering first aid to protect yourself and the victim.
 - Dispose of gloves properly after use to prevent contamination.
- QuikClot Bleeding Control Dressing and Combat Gauze:
 - Apply directly to the wound with firm pressure.
 - Monitor for any signs of infection or adverse reactions after use.
- Emergency Trauma Dressing:
 - Ensure the dressing is securely applied to control bleeding.
 - Do not remove the dressing once applied unless directed by a medical professional.
- Hypothermia Blanket:
 - Use the blanket to maintain body temperature in cases of shock or exposure.
 - Ensure the blanket is wrapped securely around the person in need.
- Compressed Gauze and Flat Fold Tape:
 - Use gauze to pack wounds as needed and secure with tape.
 - Keep the area clean and monitor for any signs of infection.
- Full Size Chest Seal:
 - Apply to open chest wounds to prevent air from entering the chest cavity.
 - Ensure a proper seal around the wound.
- Nasopharyngeal Airway:
 - Only use if trained in its application.
 - Ensure the airway is clear before insertion.
- Decompression Needle:
 - Only use if trained in its application.

- Follow proper procedures to avoid injury.

Instructions for Installation and Usage

1. Accessing the Kit:

- Open the MOLLE pouch using the single motion pullout design.
- Ensure all items are easily accessible.

2. Using the Items:

- Follow the specific instructions for each item as detailed in the packaging.
- In case of severe injuries, seek professional medical help immediately.

3. After Use:

- Dispose of any single use items in accordance with local regulations.
- Replace any used items in the kit as soon as possible.

Disposal Instructions

- Dispose of used medical supplies in accordance with local regulations.
- Check local guidelines for proper disposal of hazardous materials such as used gloves and dressings.
- Recycle the pouch if possible, following local recycling guidelines.

Contact Information for Further Support

For any safety inquiries or concerns regarding the Trauma Kit NOW! SMALL, please reach out to your local distributor or retailer. They can provide additional support and information regarding the product.

By following these guidelines, you can ensure the safe and effective use of your Trauma Kit NOW! SMALL. Always prioritize safety and seek professional assistance in emergencies. Thank you for your commitment to safety and preparedness.
