

338 WINCHESTER MAGNUM BRASS CASE - NORMA 338 WINCHESTER MAGNUM BRASS 50/BOX

[Reloading](#) > [Brass](#) > [Rifle Brass](#)

Norma Brass provides the serious reloader a premium grade, quality cartridge to reload. Norma Brass is bulk packed from the same lot. We try to keep a good supply of brass in inventory, but due to factory production and delivery delays, we may occasionally be out of some cartridges. Norma Brass is made to such exact standards that the cartridges typically include machined case heads, drilled (not punched) flash holes and close tolerance wall thickness.

Safety Instruction Guide for Norma 338 Winchester Magnum Brass Case

Introduction

Thank you for choosing the Norma 338 Winchester Magnum Brass Case. This product is designed for serious reloaders seeking premium quality cartridges. It is essential to follow the safety guidelines outlined in this document to ensure safe handling and usage of this product.

General Safety Guidelines

- Always handle ammunition and reloading components with care.
- Store ammunition in a cool, dry place, away from direct sunlight.
- Keep ammunition out of reach of children and unauthorized individuals.
- Be aware of local laws and regulations regarding the purchase, possession, and use of ammunition.
- Regularly inspect your reloading equipment and components for any signs of wear or damage.
- Report any unsafe products or accidents to the relevant authorities.
- Check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Hazard Identification:**

- Improper handling or storage of ammunition can lead to accidental discharge.
- Reloading without proper knowledge may result in dangerous ammunition.

- **Instructions for Avoiding Hazards:**

- Always wear safety glasses and hearing protection when reloading and shooting.
- Use only the recommended powder and primers for your specific cartridge.
- Follow the manufacturer's specifications for reloading data.
- Do not exceed recommended load limits.
- Avoid distractions while reloading and ensure your workspace is organized.

- **Age Specific Warnings:**

- This product is not intended for individuals under the age of 18. Ensure that only qualified adults handle and use this product.

Instructions for Installation and Usage

- **Installation:**

- Ensure that your reloading press is securely mounted and stable before beginning the reloading process.
- Verify that all tools and components are clean and free from debris.

- **Usage:**

- Carefully measure and prepare your brass cases before reloading.
- Inspect each brass case for damage or defects before use.
- Follow these steps for reloading:
 1. Resize and deprime the brass case.

2. Clean and inspect the primer pocket.
 3. Install a new primer according to the specifications.
 4. Measure and add the correct amount of powder.
 5. Seat the bullet to the proper depth.
 6. Crimp the cartridge if required.
- Store completed cartridges in a secure container.

Disposal Instructions

- Dispose of any unused or damaged brass cases in accordance with local regulations.
- Do not dispose of ammunition in regular waste. Contact local authorities for proper disposal methods.
- Recycle brass cases where applicable, following local recycling guidelines.

Contact Information for Further Support

For any safety inquiries or further assistance regarding the Norma 338 Winchester Magnum Brass Case, please refer to the EU contact point designated for product safety inquiries. Ensure you have the product details at hand when seeking support.

By adhering to these safety instructions, you can enjoy a safe and successful reloading experience with the Norma 338 Winchester Magnum Brass Case. Thank you for prioritizing safety!
