

# DEFIANCE RUCKUS SHOULDERED PREFIT CARBON FIBER BARRELS - PROOF RESEARCH 6.5MM CREEDMOOR 1-8" TWIST 22" SENDERO CONTOUR

[Rifle Parts](#) > [Barrel Parts](#) > [Rifle Barrels](#)

PROOF Research pre-fit carbon fiber & steel barrels for the Defiance Ruckus are to be installed in a simple operation requiring few specialized tools. Their pre-fit barrels are chambered and threaded for a simple install that require only a few specialized tools. Simply torque your barrel on, double check headspace with proper gauges and head to the range! Unprecedented accuracy and performance - it does not get much better than our Defiance Ruckus carbon fiber & steel pre-fit barrels. Carbon Fiber barrels are 64% lighter than traditional Steel barrels. Improved heat Dissipation for cooler and longer lasting barrels. Wrapped with high-strength, aerospace-grade carbon fiber impregnated with a proprietary matrix resin. PROOF drop-in barrels are designed to fit Defiance Ruckus, Tenacity and Anti actions with the 'Recessed' bolt nose option only and will not be compatible with actions that have cone, flat, or control round feed bolts.

# DEFIANCE RUCKUS SHOULDERED PREFIT CARBON FIBER BARRELS USER GUIDE

## Introduction

Thank you for choosing the DEFIANCE RUCKUS SHOULDERED PREFIT CARBON FIBER BARREL from PROOF Research. This guide provides essential safety instructions, installation procedures, and usage tips to ensure optimal performance and safety while using your new barrel. Please read this guide carefully before installation and use.

## General Safety Guidelines

- Ensure that you are familiar with all local laws and regulations regarding the use of firearms and firearm components.
- Always handle firearms and their components with care and respect.
- Use appropriate personal protective equipment (PPE), including safety glasses and hearing protection, when handling or firing firearms.
- Keep firearms and firearm components out of reach of children and unauthorized users.
- Regularly inspect your barrel and firearm for any signs of wear or damage.
- Report any unsafe products or incidents to the relevant authorities.

## Specific Safety Precautions for Use

### • Potential Hazards:

- Improper installation may lead to malfunctions or inaccuracies.
- Failure to check headspace can result in dangerous firing conditions.
- Use only compatible actions with the DEFIANCE RUCKUS barrel to avoid safety risks.

### • To Avoid Hazards:

- Follow the installation instructions carefully.
- Always check headspace with proper gauges before using your firearm.
- Do not use the barrel with actions that have cone, flat, or control round feed bolts.

### • AudienceSpecific Warnings:

- This product is intended for use by individuals who are knowledgeable about firearms and their operation. It is not recommended for inexperienced users.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather necessary tools: torque wrench, headspace gauges, and any other specialized tools required for installation.
- Ensure you are in a safe and controlled environment for installation.

### 2. Installation:

- Remove the existing barrel from your firearm according to the manufacturer's instructions.
- Clean the receiver threads and ensure they are free from debris.
- Align the DEFIANCE RUCKUS barrel with the receiver and handtighten it into place.

- Use a torque wrench to securely fasten the barrel to the receiver, following the manufacturer's torque specifications.
- Doublecheck headspace with proper gauges to ensure safe operation.

### **3. Usage:**

- Once installed, conduct a thorough inspection of the firearm before use.
- Always follow safe shooting practices and guidelines provided by your firearm's manufacturer.
- Regularly clean and maintain your barrel to ensure optimal performance and longevity.

## **Disposal Instructions**

- Dispose of any packaging materials according to local regulations.
- If the barrel is no longer usable, contact your local waste management facility for proper disposal methods.
- Do not dispose of firearms or firearm components in regular household waste.

## **Contact Information for Further Support**

For any safety inquiries or support regarding your DEFIANCE RUCKUS SHOULDERED PREFIT CARBON FIBER BARREL, please refer to the manufacturer's contact details included with your product packaging or visit the manufacturer's website for more information.

Thank you for your attention to these safety instructions. Enjoy your DEFIANCE RUCKUS barrel and the enhanced performance it brings to your shooting experience.
