

DEFIANCE RUCKUS SHOULDERED PREFIT CARBON FIBER BARRELS - PROOF RESEARCH 6.5 PRC 1-7.5" TWIST 26" SENDERO CONTOUR

[Rifle Parts](#) > [Barrel Parts](#) > [Rifle Barrels](#)

PROOF Research pre-fit carbon fiber & steel barrels for the Defiance Ruckus are to be installed in a simple operation requiring few specialized tools. Their pre-fit barrels are chambered and threaded for a simple install that require only a few specialized tools. Simply torque your barrel on, double check headspace with proper gauges and head to the range! Unprecedented accuracy and performance - it does not get much better than our Defiance Ruckus carbon fiber & steel pre-fit barrels. Carbon Fiber barrels are 64% lighter than traditional Steel barrels. Improved heat Dissipation for cooler and longer lasting barrels. Wrapped with high-strength, aerospace-grade carbon fiber impregnated with a proprietary matrix resin. PROOF drop-in barrels are designed to fit Defiance Ruckus, Tenacity and Anti actions with the 'Recessed' bolt nose option only and will not be compatible with actions that have cone, flat, or control round feed bolts.

Safety Instruction Guide for DEFIANCE RUCKUS SHOULDERED PREFIT CARBON FIBER BARRELS

Introduction

Thank you for choosing the DEFIANCE RUCKUS SHOULDERED PREFIT CARBON FIBER BARRELS by PROOF Research. This guide provides essential safety instructions to ensure the safe and effective use of your new barrel. Please read this guide carefully before installation and usage.

General Safety Guidelines

- Ensure that all safety precautions are followed to prevent accidents and injuries.
- Familiarize yourself with the product and its components before use.
- Always use the barrel in accordance with the manufacturer's instructions.
- Store the barrel in a safe, dry place away from children and unauthorized users.
- Inspect the barrel regularly for any signs of damage or wear.
- Report any unsafe product conditions to the relevant authorities.

Specific Safety Precautions for Use

- Only use the DEFIANCE RUCKUS SHOULDERED PREFIT CARBON FIBER BARRELS with compatible actions (Defiance Ruckus, Tenacity, and Anti actions with the 'Recessed' bolt nose option).
- Do not attempt to use the barrel with actions that have cone, flat, or control round feed bolts.
- Ensure that headspace is checked with proper gauges after installation to avoid malfunctions.
- Always wear appropriate safety gear, including eye protection, when handling firearms.
- Keep the barrel and all firearms out of reach of children and unauthorized users.
- Avoid exposing the barrel to extreme heat or corrosive materials.

Instructions for Installation and Usage

1. Installation

- Gather the necessary tools for installation (refer to the manufacturer's specifications).
- Carefully remove the old barrel from your firearm, ensuring all safety protocols are followed.
- Align the DEFIANCE RUCKUS SHOULDERED PREFIT CARBON FIBER BARREL with the action.
- Torque the barrel according to the manufacturer's specifications.
- Doublecheck headspace using the appropriate gauges to ensure safety and functionality.

2. Usage

- Once installed, ensure that the firearm is in good working condition before use.
- Always follow safe handling practices when using the firearm with the new barrel.
- Regularly clean and maintain the barrel to ensure optimal performance and safety.

Disposal Instructions

- Dispose of any packaging materials in accordance with local regulations.
- If the barrel is damaged or no longer in use, contact local waste management for proper disposal methods.
- Do not dispose of the barrel in regular household waste.

Contact Information for Further Support

For any safety inquiries or further support regarding the DEFIANCE RUCKUS SHOULDERED PREFIT CARBON FIBER BARRELS, please refer to the manufacturer's contact information provided with the product.

Thank you for choosing PROOF Research. Your safety is our priority.
