

DEFIANCE RUCKUS SHOULDERED PREFIT CARBON FIBER BARRELS - PROOF RESEARCH 7 SAUM 1-8.4" TWIST 24" SENDERO CONTOUR

[Rifle Parts](#) > [Barrel Parts](#) > [Rifle Barrels](#)

PROOF Research pre-fit carbon fiber & steel barrels for the Defiance Ruckus are to be installed in a simple operation requiring few specialized tools. Their pre-fit barrels are chambered and threaded for a simple install that require only a few specialized tools. Simply torque your barrel on, double check headspace with proper gauges and head to the range! Unprecedented accuracy and performance - it does not get much better than our Defiance Ruckus carbon fiber & steel pre-fit barrels. Carbon Fiber barrels are 64% lighter than traditional Steel barrels. Improved heat Dissipation for cooler and longer lasting barrels. Wrapped with high-strength, aerospace-grade carbon fiber impregnated with a proprietary matrix resin. PROOF drop-in barrels are designed to fit Defiance Ruckus, Tenacity and Anti actions with the 'Recessed' bolt nose option only and will not be compatible with actions that have cone, flat, or control round feed bolts.

Safety Instruction Guide for DEFIANCE RUCKUS SHOULDERED PREFIT CARBON FIBER BARRELS

Introduction

Thank you for choosing the DEFIANCE RUCKUS SHOULDERED PREFIT CARBON FIBER BARRELS by PROOF Research. This guide provides important safety information and instructions to ensure the safe use of your product. Please read this document carefully before installation and use.

General Safety Guidelines

- Always ensure the product is used in accordance with the manufacturer's specifications.
- Store the barrel in a secure location, away from children and unauthorized users.
- Inspect the barrel for any signs of damage before each use.
- Follow all local laws and regulations regarding the use of firearms and firearm accessories.
- Report any unsafe products or incidents to the appropriate authorities.
- Check for recall updates regularly on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Hazard Identification:**
 - Improper installation may lead to firearm malfunction.
 - Failure to check headspace can result in dangerous firing conditions.
- **Avoiding Hazards:**
 - Always use proper gauges to check headspace after installation.
 - Ensure that the barrel is properly torqued to avoid loosening during use.
 - Do not use the barrel with incompatible actions (e.g., cone, flat, or control round feed bolts).
- **Agesspecific Warnings:**
 - This product is intended for adult use only. Ensure that minors do not handle or operate firearms without supervision.

Instructions for Installation and Usage

1. Installation:

- Gather the necessary tools: torque wrench, headspace gauges, and appropriate cleaning supplies.
- Ensure your firearm is unloaded and pointed in a safe direction.
- Remove the existing barrel from your firearm following the manufacturer's instructions.
- Align the new DEFIANCE RUCKUS barrel with the action and gently thread it into place.
- Use a torque wrench to tighten the barrel according to the manufacturer's specifications.
- Doublecheck the installation by verifying headspace with proper gauges.

2. Usage:

- After installation, conduct a thorough inspection of the firearm before use.
- Always wear appropriate eye and ear protection when firing.
- Ensure that the range is clear of obstructions and unauthorized personnel.
- Follow standard firearm safety practices during operation.

Disposal Instructions

- Dispose of the barrel in accordance with local regulations regarding the disposal of firearm accessories.
- If the barrel is damaged or no longer usable, contact a local waste management authority for proper

disposal methods.

Contact Information for Further Support

For any inquiries regarding safety or product usage, please contact the manufacturer directly. Ensure you have the product details handy for efficient assistance.

By following these guidelines, you can ensure a safe and enjoyable experience with your DEFIANCE RUCKUS SHOULDERED PREFIT CARBON FIBER BARRELS. Thank you for prioritizing safety!
