

DEFIANCE RUCKUS SHOULDERED PREFIT CARBON FIBER BARRELS - PROOF RESEARCH 308 WINCHESTER 1-10" TWIST 20" SENDERO CONTOUR

[Rifle Parts](#) > [Barrel Parts](#) > [Rifle Barrels](#)

PROOF Research pre-fit carbon fiber & steel barrels for the Defiance Ruckus are to be installed in a simple operation requiring few specialized tools. Their pre-fit barrels are chambered and threaded for a simple install that require only a few specialized tools. Simply torque your barrel on, double check headspace with proper gauges and head to the range! Unprecedented accuracy and performance - it does not get much better than our Defiance Ruckus carbon fiber & steel pre-fit barrels. Carbon Fiber barrels are 64% lighter than traditional Steel barrels. Improved heat Dissipation for cooler and longer lasting barrels. Wrapped with high-strength, aerospace-grade carbon fiber impregnated with a proprietary matrix resin. PROOF drop-in barrels are designed to fit Defiance Ruckus, Tenacity and Anti actions with the 'Recessed' bolt nose option only and will not be compatible with actions that have cone, flat, or control round feed bolts.

DEFIANCE RUCKUS SHOULDERED PREFIT CARBON FIBER BARRELS SAFETY INSTRUCTIONS

Introduction

Thank you for choosing the DEFIAНCE RUCKUS SHOULDERED PREFIT CARBON FIBER BARRELS by PROOF Research. This product is designed for precision and performance in shooting applications. To ensure safe and effective use, please follow the safety guidelines and instructions outlined in this manual.

General Safety Guidelines

- Always treat the barrel as if it is loaded.
- Keep the barrel pointed in a safe direction at all times.
- Store the barrel in a secure place, out of reach of children and unauthorized users.
- Use appropriate eye and ear protection when using firearms.
- Be aware of your surroundings and ensure a safe shooting environment.
- Familiarize yourself with the specific firearm and its operation before installation.
- Regularly inspect the barrel for any signs of damage or wear.

Specific Safety Precautions for Use

- Ensure that the barrel is compatible with your Defiance Ruckus action before installation.
- Only use the barrel with the 'Recessed' bolt nose option; it is not suitable for actions with cone, flat, or control round feed bolts.
- Always verify headspace using appropriate gauges after installation.
- Do not exceed the recommended load specifications for the barrel.
- Be cautious of hot surfaces after firing, as the barrel may become extremely hot.
- Do not attempt to modify or alter the barrel in any way.

Instructions for Installation and Usage

Installation

1. Ensure you have the following tools ready:
 - Torque wrench
 - Headspace gauges
 - Appropriate cleaning supplies
2. Follow these steps for installation:
 - Remove the existing barrel from your Defiance Ruckus action.
 - Clean the action threads and ensure they are free from debris.
 - Align the new barrel with the action and handtighten it.
 - Use the torque wrench to tighten the barrel to the manufacturer's specifications.
 - Doublecheck headspace using the proper gauges to ensure safety and functionality.

Usage

- After installation, perform a function check to ensure proper operation.
- Load your firearm according to the manufacturer's instructions.
- When ready to fire, adopt a stable shooting position and ensure a clear line of sight.
- Fire the firearm while maintaining control and awareness of your surroundings.

Disposal Instructions

- Dispose of the barrel in accordance with local regulations.
- If the barrel is damaged or no longer usable, consider recycling it through appropriate channels.
- Do not dispose of the barrel in regular household waste.

Contact Information for Further Support

For any safety inquiries or support, please refer to the manufacturer's contact information provided with your product packaging. Always ensure that you have the latest updates regarding product safety and recalls.

Thank you for your attention to these safety guidelines. Enjoy your DEFIANCE RUCKUS SHOULDERED PREFIT CARBON FIBER BARRELS responsibly and safely.
