

# DEFIANCE RUCKUS SHOULDERED PREFIT CARBON FIBER BARRELS - PROOF RESEARCH 300 PRC 1-9" TWIST 24" SENDERO CONTOUR

[Rifle Parts](#) > [Barrel Parts](#) > [Rifle Barrels](#)

PROOF Research pre-fit carbon fiber & steel barrels for the Defiance Ruckus are to be installed in a simple operation requiring few specialized tools. Their pre-fit barrels are chambered and threaded for a simple install that require only a few specialized tools. Simply torque your barrel on, double check headspace with proper gauges and head to the range! Unprecedented accuracy and performance - it does not get much better than our Defiance Ruckus carbon fiber & steel pre-fit barrels. Carbon Fiber barrels are 64% lighter than traditional Steel barrels. Improved heat Dissipation for cooler and longer lasting barrels. Wrapped with high-strength, aerospace-grade carbon fiber impregnated with a proprietary matrix resin. PROOF drop-in barrels are designed to fit Defiance Ruckus, Tenacity and Anti actions with the 'Recessed' bolt nose option only and will not be compatible with actions that have cone, flat, or control round feed bolts.

# DEFIANCE RUCKUS SHOULDERED PREFIT CARBON FIBER BARRELS SAFETY INSTRUCTIONS

## Introduction

Thank you for choosing the DEFIAНCE RUCKUS SHOULDERED PREFIT CARBON FIBER BARRELS from PROOF Research. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your new barrel. Please read this document carefully before installation and use.

## General Safety Guidelines

- Ensure that all safety instructions are followed to prevent accidents and injuries.
- Always handle firearms and related equipment with care and responsibility.
- Store the barrel and firearms in a secure location, away from children and unauthorized users.
- Regularly check for any signs of wear or damage to the barrel.
- Use only compatible actions as specified in the product description.
- Follow all local laws and regulations regarding firearms use and ownership.

## Specific Safety Precautions for Use

### • Hazard Identification:

- Improper installation may lead to malfunctions or accidents.
- Use of incompatible actions may result in unsafe conditions.
- Always check headspace with proper gauges after installation.

### • Avoiding Hazards:

- Ensure the barrel is properly torqued before use.
- Do not attempt to modify or alter the barrel.
- Always wear appropriate eye and ear protection when using firearms.
- Do not use the barrel with actions that have cone, flat, or control round feed bolts.

### • Age Specific Warnings:

- This product is intended for use by individuals aged 18 and older.
- Ensure that all users are trained in safe firearm handling practices.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather necessary tools: torque wrench, headspace gauges, and any other specialized tools required for installation.
- Ensure you are in a clean, welllit workspace.

### 2. Installation:

- Remove the existing barrel from your Defiance Ruckus action.
- Align the new prefit carbon fiber barrel with the action.
- Torque the barrel to the manufacturer's specifications.
- Doublecheck headspace using the appropriate gauges to ensure safety and compatibility.

### 3. Usage:

- Once installed, perform a visual inspection of the firearm to ensure all components are secure.
- Test fire in a safe and controlled environment.
- Monitor the barrel for any unusual behavior during use.

## Disposal Instructions

- Dispose of any packaging materials in accordance with local regulations.
- If the barrel is damaged beyond repair, consult local authorities for proper disposal methods.
- Ensure that any firearm parts are disposed of in a way that prevents unauthorized use.

## Contact Information for Further Support

For safety inquiries or additional support, please refer to the appropriate EUbased contact resources. Always ensure that you are using the most current information regarding recalls and safety notices.

By following these guidelines, you can ensure a safe and enjoyable experience with your DEFIANCE RUCKUS SHOULDERED PREFIT CARBON FIBER BARRELS. Thank you for your attention to safety.
