

DEFIANCE RUCKUS SHOULDERED PREFIT CARBON FIBER BARRELS - PROOF RESEARCH 300 PRC 1-9" TWIST 26" SENDERO CONTOUR

[Rifle Parts](#) > [Barrel Parts](#) > [Rifle Barrels](#)

PROOF Research pre-fit carbon fiber & steel barrels for the Defiance Ruckus are to be installed in a simple operation requiring few specialized tools. Their pre-fit barrels are chambered and threaded for a simple install that require only a few specialized tools. Simply torque your barrel on, double check headspace with proper gauges and head to the range! Unprecedented accuracy and performance - it does not get much better than our Defiance Ruckus carbon fiber & steel pre-fit barrels. Carbon Fiber barrels are 64% lighter than traditional Steel barrels. Improved heat Dissipation for cooler and longer lasting barrels. Wrapped with high-strength, aerospace-grade carbon fiber impregnated with a proprietary matrix resin. PROOF drop-in barrels are designed to fit Defiance Ruckus, Tenacity and Anti actions with the 'Recessed' bolt nose option only and will not be compatible with actions that have cone, flat, or control round feed bolts.

DEFIANCE RUCKUS SHOULDERED PREFIT CARBON FIBER BARRELS SAFETY INSTRUCTIONS

Introduction

Thank you for choosing the DEFIANCE RUCKUS SHOULDERED PREFIT CARBON FIBER BARRELS from PROOF Research. This guide provides essential safety instructions to ensure the safe use and installation of your new barrel. Please read and follow these instructions carefully to maximize your safety and the performance of your product.

General Safety Guidelines

- Always treat your firearm and its components with respect and care.
- Ensure that the barrel is compatible with your firearm model before installation.
- Follow all local laws and regulations regarding firearms and their components.
- Keep the barrel and all firearms out of reach of children and unauthorized users.
- Regularly inspect the barrel for any signs of damage or wear.
- If you experience any issues with the barrel, do not use it until it has been inspected by a qualified gunsmith.

Specific Safety Precautions for Use

- **Installation Safety:**
 - Use proper tools and equipment when installing the barrel.
 - Always wear appropriate safety gear, including eye protection, during installation.
- **Operational Safety:**
 - Always ensure the firearm is unloaded before installing or removing the barrel.
 - Doublecheck headspace with the appropriate gauges to ensure safe operation.
 - Never exceed the maximum recommended loads for your specific cartridge.
- **Maintenance Safety:**
 - Clean the barrel regularly to prevent buildup of fouling and debris.
 - Use only recommended cleaning solvents and tools to avoid damaging the barrel.
- **Transport Safety:**
 - Store the barrel and firearm in a secure case during transport.
 - Ensure that the firearm is unloaded and secured before transporting.

Instructions for Installation and Usage

1. **Preparation:**
 - Gather the necessary tools: torque wrench, headspace gauges, and any other required tools.
 - Ensure you are in a clean and safe environment for installation.
2. **Installation:**
 - Remove the existing barrel from your firearm according to the manufacturer's instructions.
 - Align the new DEFIANCE RUCKUS barrel with the action of your firearm.
 - Torque the barrel on using a torque wrench, following the manufacturer's specifications.
 - Check headspace using the appropriate gauges to ensure safety and proper function.
3. **Usage:**
 - Once installed, familiarize yourself with the operation of your firearm and the new barrel.
 - Conduct a function test at a safe shooting range to ensure everything is operating correctly.
 - Monitor the performance of the barrel during use, paying attention to accuracy and any unusual signs.

Disposal Instructions

- Dispose of any packaging materials in accordance with local waste management regulations.
- If the barrel becomes damaged beyond repair, consult a qualified gunsmith for proper disposal methods.
- Do not attempt to modify or dispose of the barrel in a way that could pose a safety risk.

Contact Information for Further Support

For any questions or safety concerns regarding your DEFIANCE RUCKUS SHOULDERED PREFIT CARBON FIBER BARRELS, please consult with a qualified firearms professional or contact the manufacturer directly for assistance.

By following these safety instructions, you can help ensure a safe and enjoyable experience with your DEFIANCE RUCKUS SHOULDERED PREFIT CARBON FIBER BARRELS. Always prioritize safety and responsible handling of your firearm and its components.
