[Handgun Parts](#) > [Barrel Parts](#) > [Barrels](#)

A Premium Barrel To Maximize the Performance of Your Sig P365 The Sig P365 is an outstanding EDC / CCW / personal defense pistol. It's not designed to punch the tightest groups on paper targets - but it has a lot more accuracy potential than folks may think. Drop in our Match-Grade Barrel for the Sig P365 and find out just how much more accuracy your P365 is ready to give you! What makes our Sig P365 barrel match-grade is the way it's machined from hardened 416R stainless steel to precise dimensions for a tight lockup and long service life. Installation should be a straight drop-in deal on most guns. The extra-hard Black Nitride finish resists surface wear and stops in its tracks whatever corrosion might try to challenge the stainless steel. Ahead of the 9mm Luger (9x19mm) chamber is a button-rifled bore with standard, 1-10" right-hand, 6-groove rifling. Fits Sig P365 Only 416R Stainless Steel Black Nitride Finish Button-Rifled, 1-10" Twist Threaded Model has 1/2"-28 tpi Our Match-Grade Barrel for the Sig P365 is available with your choice of a Plain muzzle or Threaded (1/2"-28 tpi) to enable installation of a compensator or sound suppressor. Both are laser engraved with the chambering and the Sig model they fit.

# Safety Instruction Guide for BARRELS FOR SIG P365 9MM BROWNELLS BRN PISTOL BARREL

## Introduction

Thank you for choosing the BARRELS FOR SIG P365 9MM BROWNELLS BRN PISTOL BARREL. This product is designed to enhance the performance of your Sig P365 firearm. Please read this safety instruction guide carefully to ensure safe usage and compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Ensure the product is used only with compatible firearms. This barrel is specifically designed for the Sig P365 model.
- Always handle firearms with care and follow all local laws and regulations regarding their use.
- Regularly inspect the barrel for signs of wear or damage.
- Keep the product out of reach of children and unauthorized users.
- If you experience any issues or concerns with the product, cease use immediately and seek assistance.

## Specific Safety Precautions for Use

### • Hazard Identification:

- Improper installation may lead to malfunction or safety hazards.
- Use of noncompatible ammunition can result in dangerous situations.
- Ensure that the firearm is unloaded before installation or maintenance.

### • Avoiding Hazards:

- Always verify the firearm is clear of ammunition before handling or installing the barrel.
- Follow the installation instructions precisely to avoid any malfunction.
- Do not attempt to modify or alter the barrel in any way.
- Use only recommended ammunition types to prevent damage and ensure safety.

### • Age Specific Warnings:

- This product is not intended for use by individuals under the age of 18. Adult supervision is required for any handling of the firearm.

## Instructions for Installation and Usage

### • Installation:

1. Ensure the Sig P365 is unloaded and pointed in a safe direction.
2. Remove the existing barrel from the firearm by following the manufacturer's guidelines.
3. Carefully insert the BARRELS FOR SIG P365 into the firearm, ensuring it is aligned properly.
4. Confirm that the barrel is securely locked in place.
5. Perform a function check to ensure proper operation before firing.

### • Usage:

- When using the firearm, always wear appropriate eye and ear protection.
- Be aware of your surroundings and ensure that you are in a safe environment for shooting.
- Follow all safety protocols while handling the firearm, including keeping the muzzle pointed in a

safe direction.

## **Disposal Instructions**

- Dispose of the product in accordance with local regulations regarding firearms and firearm components.
- Do not dispose of the product in regular household waste.
- Consider recycling options for metal components where applicable.

## **Contact Information for Further Support**

For any inquiries regarding safety, installation, or usage of the BARRELS FOR SIG P365, please consult the product packaging or the manufacturer's website for further assistance.

Thank you for your attention to safety. Enjoy using your BARRELS FOR SIG P365 9MM BROWNELLS BRN PISTOL BARREL responsibly.
