

# CONTROLLED CHAOS 284 CALIBER (0.284") BULLETS - LEHIGH DEFENSE 284 CALIBER (0.284") 142GR COPPER HOLLOW POINT 50/BOX

[Reloading](#) > [Bullets](#) > [Rifle Bullets](#)

There are two philosophies when it comes to bullets. One that believes rapid expansion, moderate penetration and weight loss is best, while the other believes that moderate expansion, deep penetration and virtually no weight loss is best. Both have their virtues and applications, but why settle for one or the other when you can have both? Controlled Chaos bullets offer the best of both. Once fluid is impacted, they shed the front portion of the bullet into multiple petals that radiate outward away from the bullets initial trajectory path resulting in a massive energy spike. The bore diameter base of the bullet continues and penetrates deeply in a straight line. Both the temporary and permanent wound cavity created by this bullet separation is dramatic resulting in quick incapacitation. The solid base creates additional tissue damage and often results in full penetration of the animal. SPECIFICATIONS: Cartridge: 7mm-08 Remington, 280 Remington, 7x57mm Mauser Best Used For: Hunting, Tactical, Self Defense Ballistic Coefficient (G1): 0.477 Box Quantity: 50 Bullet Material: Copper Bullet Caliber: .284 Bullet Length: 1.375 Minimum Impact Velocity (fps): 1500 Maximum Muzzle Velocity (fps): 5000 Bullet Technology: Controlled Chaos Bullet Weight (gr): 142.00 Velocity Sensitivity: Yes Gun Type: Rifle Lead Free Bullet: Yes Minimum Twist Rate: 1:9.5 Ogive Length (inches): 0.75 Sectional Density: .252 Velocity Rating: Supersonic

## Attributes

# Safety Instruction Guide for CONTROLLED CHAOS 284 CALIBER BULLETS

## Introduction

Thank you for choosing CONTROLLED CHAOS 284 CALIBER (0.284") BULLETS by Lehigh Defense. This guide provides important safety instructions and information to ensure the safe handling and use of this product. Please read this guide carefully before using the bullets.

## General Safety Guidelines

- Ensure that all users are trained in the safe handling and usage of firearms and ammunition.
- Always store bullets in a cool, dry place away from direct sunlight and moisture.
- Keep bullets out of reach of children and unauthorized persons.
- Regularly check for any visible damage or defects in the ammunition before use.
- Follow all local laws and regulations regarding the use of firearms and ammunition.

## Specific Safety Precautions for Use

- Always wear appropriate safety gear, including eye and ear protection, when handling or using ammunition.
- Use only in firearms that are specifically designed for the 284 caliber.
- Do not exceed the maximum muzzle velocity (5000 fps) recommended for this ammunition.
- Ensure that the firearm is properly maintained and inspected before use.
- Never point a firearm at anything you do not intend to shoot.
- Be aware of your surroundings and ensure a safe backdrop when firing.
- If a bullet fails to fire, wait at least 30 seconds before attempting to remove it from the chamber.

## Instructions for Installation and Usage

- **Installation:**
  - Ensure the firearm is unloaded before installation.
  - Load the bullets into the magazine or chamber according to the manufacturer's instructions for your specific firearm.
- **Usage:**
  - Always ensure the firearm is pointed in a safe direction when loading and unloading.
  - Follow the manufacturer's instructions for your firearm regarding the use of ammunition.
  - Fire only in designated shooting areas and observe all safety protocols.

## Disposal Instructions

- Dispose of any unused or damaged bullets in accordance with local regulations regarding hazardous waste.
- Do not throw bullets in regular trash.
- Contact local authorities for guidance on proper disposal methods.

## Contact Information for Further Support

For any inquiries related to safety or product issues, please refer to the EU contact point for assistance.

## Conclusion

By following these safety guidelines and precautions, you can help ensure a safe and enjoyable experience with CONTROLLED CHAOS 284 CALIBER BULLETS. Always prioritize safety and be aware of your responsibilities as a firearm owner.
