

DANGEROUS GAME 400 CALIBER (0.400") BULLETS - LEHIGH DEFENSE 400 CALIBER (0.400") 190GR WIDE FLAT NOSE SOLID 50/BOX

[Reloading](#) > [Bullets](#) > [Pistol Bullets](#)

The concept of a Wide Flat Nose (WFN) projectile is nothing new or groundbreaking, but it does leave room for improvement. It is a proven projectile design that has been around for many years and has successfully been utilized by hunters all over the world who demand deep and straight-line penetration for their hunt. Lehigh Defense has taken this proven technology, and incorporated it into our very own lineup of improved WFN's made of solid copper. Lead has a very high density and does a great job at penetrating deep, but it lacks any real structural integrity. Lead is quite soft, especially when compared to copper. The solid copper WFN line of projectiles have a tensile strength of 10-20x greater than conventional lead projectiles. This massive increase in strength allows the WFNs to punch through the hardest of bone with little to no deformation, which nearly eliminates the possibility of deflection due to the projectile deforming. SPECIFICATIONS: Cartridge: 10mm Auto Best Used For: Hunting Notes: 10mm Auto only, not for use in 40 S&W Auto Ballistic Coefficient (G1): 0.148 Box Quantity: 50 Bullet Material: Copper Bullet Caliber: .400 Bullet Length: .755 Minimum Impact Velocity (fps): 750 Maximum Muzzle Velocity (fps): 5000 Bullet Technology: Wide Flat Nose Bullet Weight (gr): 190.00 Velocity Sensitivity: No Gun Type: Handgun Lead Free Bullet: Yes Minimum Twist Rate: 1:16 Ogive Length (inches): 0.29 Sectional Density: .170 Velocity Rating: Supersonic

DANGEROUS GAME 400 CALIBER (0.400") BULLETS SAFETY INSTRUCTIONS

Introduction

Thank you for choosing DANGEROUS GAME 400 CALIBER (0.400") BULLETS by Lehigh Defense. This product is designed for hunting and offers enhanced performance through its Wide Flat Nose design. To ensure safe use and compliance with EU General Product Safety Regulation (GPSR), please read and follow the safety instructions outlined in this guide.

General Safety Guidelines

- Always handle ammunition with care and treat it as if it is loaded.
- Store ammunition in a cool, dry place, away from direct sunlight and moisture.
- Keep ammunition out of reach of children and unauthorized persons.
- Always use appropriate firearms that are compatible with the 10mm Auto cartridge.
- Wear safety glasses and hearing protection when using firearms.
- Follow all local laws and regulations regarding the use and storage of ammunition.

Specific Safety Precautions for Use

- Ensure that your firearm is in good working condition before use.
- Check the barrel for obstructions before loading ammunition.
- Only use this product in firearms specifically designed for the 10mm Auto cartridge.
- Avoid using this ammunition in 40 S&W Auto firearms, as it is not compatible.
- Do not exceed the maximum muzzle velocity of 5000 fps as specified.
- Be aware of your surroundings and ensure a safe shooting environment.
- Do not aim at anything you do not intend to shoot.

Instructions for Installation and Usage

1. Loading Ammunition:

- Open the box carefully and remove the ammunition.
- Inspect each round for any visible defects or damage.
- Load the ammunition into the magazine of your firearm according to the manufacturer's instructions.

2. Firing the Ammunition:

- Ensure you are in a safe shooting position.
- Aim your firearm at the target and ensure the area is clear of people and obstacles.
- Pull the trigger smoothly to fire the shot.
- After firing, maintain control of the firearm and be prepared for recoil.

3. PostFiring:

- After completing your shooting session, unload your firearm in a safe manner.
- Inspect the spent casings and ensure no ammunition remains in the chamber.
- Store any remaining ammunition in a secure location.

Disposal Instructions

- Dispose of any unused or damaged ammunition in accordance with local regulations.
- Do not dispose of ammunition in regular household waste.
- Contact your local authorities for guidance on safe disposal methods.

Contact Information for Further Support

For any safety inquiries or further assistance regarding this product, please contact your local distributor or retailer where the product was purchased. Ensure to have the product details on hand for a more efficient response.

By following these safety instructions, you can ensure a safe and enjoyable experience with DANGEROUS GAME 400 CALIBER (0.400") BULLETS. Always prioritize safety and compliance with all applicable regulations.
