

COMPETITION ACTION ENHANCEMENT KIT FOR RUGER MKIV/MKIV 22/45 - APEX TACTICAL SPECIALTIES INC COMPETITION ACTION ENHANCEMENT KIT RUGER MKIV/MKIV 22/45 BLK

[Handgun Parts](#) > [Trigger Group Parts](#) > [Performance Enhancing Kits](#)

Apex Action Enhancement Kit: The Apex Action Enhancement Kit replaces the factory trigger and hammer and is designed to reduce the trigger pull weight by approximately 45% to around 3.0 lbs. The kit delivers a crisp trigger break while reducing the trigger's over-travel by over 80% and overall trigger travel 25%. Also included in the kit is a safety plate to maintain factory safety values, and a steel magazine safety delete which, when installed, allows the pistol to fire without the magazine inserted (recommended for competition use only). Expected Results: Reduces trigger pull to approx. 3.0 lbs. Reduces trigger over-travel approx. 80% and overall travel approx. 25% Delivers crisp trigger break Maintains factory safety values Applicable To What Guns: Works with the Ruger Mk IV model pistols including Mk IV 22/45

Safety Instruction Guide for Apex Competition Action Enhancement Kit for Ruger MKIV/MKIV 22/45

Introduction

Thank you for choosing the Apex Competition Action Enhancement Kit for your Ruger MKIV/MKIV 22/45. This guide provides essential safety instructions and guidelines to ensure the safe use and installation of the product. Please read this document carefully before proceeding.

General Safety Guidelines

- Ensure that you are of legal age to own and operate firearms in your jurisdiction.
- Always treat firearms as if they are loaded.
- Keep firearms pointed in a safe direction at all times.
- Store firearms securely and out of reach of children and unauthorized users.
- Do not consume alcohol or drugs before or while handling firearms.
- Always wear appropriate eye and ear protection when using firearms.
- Be aware of your surroundings and ensure that you have a safe backdrop when firing.
- Regularly inspect your firearm for any signs of wear or damage.

Specific Safety Precautions for Use

- This kit is designed for use with Ruger MKIV/MKIV 22/45 models only. Do not attempt to use it with any other firearm.
- The kit includes a safety plate and a magazine safety delete. Ensure that the magazine safety delete is only installed if you are aware of the implications, as it allows the firearm to fire without a magazine inserted.
- Always ensure that the firearm is unloaded before installing or modifying any components.
- Follow all local laws and regulations regarding firearm modifications.
- If you are not confident in your ability to install the kit, seek assistance from a qualified gunsmith.

Instructions for Installation and Usage

1. Preparation:

- Ensure your workspace is clean and free of distractions.
- Gather all necessary tools for installation, including screwdrivers and any other required equipment.
- Read through the installation instructions thoroughly before beginning.

2. Installation Steps:

- Unload the firearm completely and visually and physically check that it is clear.
- Remove the factory trigger and hammer as per the manufacturer's instructions.
- Install the new components from the Apex Action Enhancement Kit, following the provided instructions closely.
- Ensure that the safety plate is securely in place to maintain factory safety values.
- If using the magazine safety delete, install it carefully and ensure it functions as intended.
- After installation, perform a function check to ensure that the firearm operates correctly and safely.

3. Usage:

- Familiarize yourself with the new trigger pull weight and characteristics.
- Practice safe handling and operation of your firearm with the new kit installed.
- Always conduct a thorough inspection of the firearm before and after each use.

Disposal Instructions

- Dispose of any old parts removed during installation according to local regulations.
- If the product becomes damaged or no longer functions as intended, do not attempt to repair it yourself. Dispose of it responsibly and contact the manufacturer for guidance.

Contact Information for Further Support

For any questions or concerns regarding the Apex Competition Action Enhancement Kit, please refer to the manufacturer's contact information provided with the product packaging.

Conclusion

By following these safety instructions and guidelines, you can ensure the safe and effective use of the Apex Competition Action Enhancement Kit for your Ruger MKIV/MKIV 22/45. Always prioritize safety and compliance with local laws when handling firearms. Thank you for your attention to these important safety measures.
