

AR-15 MULTI-CALIBER 30RD MAGAZINE - WILSON COMBAT AR-15 MULTI CALIBER 30RD MAGAZINE, GREEN

[Magazines](#) > [Rifle Magazines](#) > [Magazines](#)

Description The Wilson Combat Multi-Caliber Polymer AR magazine has a unique follower and tube design that ensures superb function between 5.56 NATO, .223, 300 Blackout, and 300 HAM'R ammunition. This 30-round magazine allows you to easily switch back and forth between these calibers without any lose of feed reliability. The durables, non-slip polymer tube, anti-tilt follower, and powerful spring results in a hard use, 30-round capacity AR-compatible magazine that will function reliably in the harshest field conditions. The magazine floor plate is easily removed for deep cleaning of the tube, spring, and follower after high round count range sessions. Compatible with all AR-platform rifles Proven reliability Highly durable fiber reinforced polymer material OD Green, High-visibility, anti-tilt universal follower Enhanced grip Easily removed floorplate with openings for dirt, water, and debris removal 5.5 ounces Note Like all 30-round magazines designed for the AR15 platform, it is recommended that they be loaded with 28 rounds to ease of seating with the bolt closed, longest spring life, and optimal function.

Safety Instruction Guide for the AR15 MultiCaliber 30rd Magazine

Introduction

Thank you for purchasing the Wilson Combat AR15 MultiCaliber 30rd Magazine. This guide provides essential safety instructions to ensure the safe use and maintenance of your magazine. Please read this guide thoroughly before use and keep it for future reference.

General Safety Guidelines

- Always treat the magazine as if it is loaded.
- Keep the magazine out of reach of children and unauthorized users.
- Be aware of your surroundings and ensure a safe environment when using firearms.
- Regularly inspect the magazine for wear or damage before use.
- Follow all local laws and regulations regarding the use and storage of firearms and ammunition.

Specific Safety Precautions for Use

- Ensure that the magazine is compatible with your firearm before use.
- Do not exceed the recommended loading of 28 rounds to ensure proper seating with the bolt closed.
- Use only approved ammunition types: 5.56 NATO, .223, 300 Blackout, and 300 HAM'R.
- Avoid using the magazine in extreme temperatures or wet conditions without proper care.
- If you experience feeding issues, discontinue use and inspect the magazine for damage or debris.

Instructions for Installation and Usage

1. Loading the Magazine

- Remove the magazine from the firearm.
- Press down on the antitilt follower and insert rounds one by one.
- Ensure that the magazine is loaded with no more than 28 rounds for optimal performance.

2. Installing the Magazine

- Align the magazine with the magazine well of your ARplatform rifle.
- Firmly push the magazine into the well until it clicks into place.
- Check that the magazine is securely seated.

3. Using the Magazine

- Always keep your firearm pointed in a safe direction when loading or unloading.
- To unload, remove the magazine from the firearm and press the follower down to release the rounds.
- Clean the magazine regularly, especially after high round count sessions.

4. Cleaning Instructions

- Remove the floor plate by pressing the release tabs.
- Clean the tube, spring, and follower with a soft cloth and appropriate cleaning solution.
- Allow all components to dry completely before reassembling.

Disposal Instructions

- Dispose of the magazine in accordance with local regulations.
- If the magazine is damaged beyond repair, ensure it is disposed of safely to prevent unauthorized use.

Contact Information for Further Support

For any safety inquiries or concerns, please refer to the product packaging for contact information. Ensure you have the product model and serial number available when seeking assistance.

By following these safety instructions, you can ensure the safe and effective use of your Wilson Combat AR15 MultiCaliber 30rd Magazine. Thank you for your commitment to safety.
