

MARKSMAN V4 SLIDE FOR GLOCK 34 GEN 3 - ALPHA SHOOTING SPORTS MARKSMAN V4 SLIDE FOR GLOCK 34 GEN 3 9MM LUGER NITRIDE

[Handgun Parts](#) > [Slide Parts](#) > [Slides](#)

The Marksman V4 G34 slide is the perfect choice for those seeking a high-performance slide for competition. This slide is machined from hardened 17-4 stainless steel to ensure long lasting performance. Precisely machined RMR pattern with 2 alignment recoil bosses. Features compatibility with Trijicon RMR, SRO or Holosun 507 red-dot optics. Front & rear serrations for enhanced slide manipulation. Compatible with 3rd Gen 9mm slide internals (not included). Compatible with Glock G17 Gen 3 & P80 PF940V2 frames. Requires a G34 3rd Gen barrel. QPQ Nitride finish provides wear and corrosion resistance. Certified Gunsmith assembly recommended.

Safety Instruction Guide for MARKSMAN V4 Slide for Glock 34 Gen 3

Introduction

Thank you for choosing the MARKSMAN V4 Slide for your Glock 34 Gen 3. This product is designed for highperformance competition shooting. To ensure safe and effective use, please read and follow the safety guidelines and instructions provided in this document.

General Safety Guidelines

- Always treat the slide as if it is loaded, even when it is not.
- Ensure that the firearm is pointed in a safe direction at all times.
- Keep your finger off the trigger until you are ready to shoot.
- Store the slide and firearm in a secure location, out of reach of children and unauthorized users.
- Regularly inspect the slide for signs of wear or damage before use.
- Use only compatible components and accessories with the slide to ensure safe operation.
- Follow all local laws and regulations regarding firearm ownership and usage.

Specific Safety Precautions for Use

- Ensure that the slide is properly installed on the firearm before use.
- Do not attempt to modify or alter the slide in any way.
- Use only a G34 3rd Gen barrel with this slide to avoid potential hazards.
- Ensure that you are using the correct ammunition type (9 mm Luger) to prevent malfunctions or accidents.
- Be aware of your surroundings and ensure a safe shooting environment.
- Use appropriate eye and ear protection while shooting.
- If you experience any malfunctions, cease use immediately and consult a qualified gunsmith.

Instructions for Installation and Usage

Installation

1. Prepare Your Firearm:

- Ensure that your Glock 34 Gen 3 is unloaded.
- Remove the existing slide from the frame.

2. Install the MARKSMAN V4 Slide:

- Align the slide with the frame.
- Gently slide it into place until it locks securely.

3. Check Compatibility:

- Ensure that all internal components are compatible and properly installed (not included).
- Verify that the slide is securely mounted before proceeding.

Usage

1. Loading the Firearm:

- Load the magazine with the appropriate 9 mm Luger ammunition.
- Insert the magazine into the firearm.

2. **Firing:**

- Ensure that the firearm is pointed in a safe direction.
- Engage the safety if applicable.
- When ready, take aim and gently squeeze the trigger.

3. **PostUse:**

- After shooting, unload the firearm and inspect the slide for any issues.
- Clean and maintain the slide according to the manufacturer's recommendations.

Disposal Instructions

- Dispose of any damaged or worn components in accordance with local regulations.
- Do not throw away the slide in regular household waste.
- Contact your local waste management facility for proper disposal methods of firearm components.

Contact Information for Further Support

For any inquiries regarding safety or product issues, please reach out to your authorized dealer or manufacturer. Ensure you have the product details ready for efficient assistance.

Note: This guide is intended to provide essential safety information and should be kept readily accessible for reference. Always prioritize safety and adhere to best practices when handling firearms.
