

# LV-119 REAR COVERT PLATE BAG - SPIRITUS SYSTEMS LV-119 REAR COVERT PLATE BAG (X-LARGE) - BLACK

[Home](#)

LV/119 Rear Covert Plate Bag The Spiritus Systems LV/119 Rear COVERT Plate bag is a slick no frills solution for those who need to wear hard plates in the lowest profile possible. A 3" tall velcro loop panel is sewn at chest height for IR identifiers, patches or even our jumbo flags. The cummerbund attachment is a proprietary system that allows for the use of all of our cummerbunds as well as allowing for a wide range of adjustment. The cummerbund attaches inside the plate bag, which is advantageous for two reasons: 1. It doesn't have external mounting that can get snagged or rip off when exiting vehicles in haste. 2. It creates a smooth profile when wearing underneath clothing. The LV/119 Plate Carrier System was designed to be a scalable and highly configurable plate carrier platform. The system will offer accessories ranging from Covert Low Visibility Operations, to High Threat Direct Action Raids. We designed the system to be issued in entirety to operators who can then select the desired configuration to meet their mission requirements. All parts and accessories will be interchangeable throughout the series. Plate Fitment The carrier was designed to fit United States Standard Issue SAPI cut plates, but it will fit other cuts as well as long as they fit within the specifications listed below. The bags were built to accommodate "thicker" plates, but they will not fit plates do not fall within the measurements listed. Medium-10" x 12.5" Large- 10.25" x 13.25" Extra Large- 11" x 14.00" Thickness- MAXIMUM of 1.20" NOTE: This is a component of a Spiritus Systems LV/119 Plate Carrier build. To build a COMPLETE plate carrier you will need to select AT LEAST ONE of each of these items: Spiritus Systems Front Plate Bag Spiritus Systems Rear Plate Bag Spiritus Systems Shoulder Covers Spiritus Systems Cummerbund Set Note: This product may be shown with optional accessories. Made in the USA

# Safety Instruction Guide for LV119 Rear Covert Plate Bag

## Introduction

Thank you for choosing the LV119 Rear Covert Plate Bag by Spiritus Systems. This guide provides important safety instructions and usage information to ensure your safety and the effective use of this product. Please read this manual carefully before using the product.

## General Safety Guidelines

- **Product Safety:** The LV119 Rear Covert Plate Bag is designed to meet safety standards for nonfood products. Ensure that you follow all guidelines for safe use.
- **Enhanced Recalls:** In the event of a product recall, you will be notified through standardized recall notices. Please stay informed about any updates regarding this product.
- **Online Shopping:** When purchasing this product online, ensure that the seller complies with safety requirements equivalent to those of physical stores.
- **Special Consumer Focus:** Extra care should be taken when this product is used by vulnerable groups. Ensure that children are supervised and do not use the product without adult assistance.
- **EU Contact Point:** For any safety inquiries, please refer to the designated EU contact point provided by the manufacturer.
- **Rapid Alerts:** Stay updated on potential safety issues through the EU's Safety Gate system.

## Specific Safety Precautions for Use

- Ensure that the plate bag is fitted correctly to avoid any movement that could lead to injury.
- Always check the compatibility of the hard plates used with the LV119 Rear Covert Plate Bag. Refer to the Plate Fitment section for specific measurements.
- Do not exceed the maximum thickness of 1.20 inches for plates to ensure proper fit and safety.
- Avoid using the product in environments where it could get caught on external objects, which may lead to accidents.
- Regularly inspect the bag for any signs of wear or damage. Replace the product if any defects are found.
- When wearing the plate bag under clothing, ensure that it does not restrict movement or breathing.

## Instructions for Installation and Usage

### 1. Fitting the Plate Bag:

- Open the bag and insert the hard plates according to the specified sizes:
  - Medium: 10" x 12.5"
  - Large: 10.25" x 13.25"
  - Extra Large: 11" x 14.00"
- Ensure the plates are securely positioned within the bag.

### 2. Attaching the Cummerbund:

- Use the proprietary cummerbund attachment system provided with your LV119 Plate Carrier.
- Attach the cummerbund inside the plate bag for a smooth profile and to prevent snagging.

### 3. Wearing the Plate Bag:

- Adjust the straps for a snug fit. Ensure that the bag is secure but not overly tight to allow for comfortable movement.

- When wearing under clothing, check that the bag does not create visible bulges or restrict movement.

#### **4. Removing the Plate Bag:**

- Carefully unfasten the straps and remove the bag from your body. Take care not to pull or tug on the bag, which may cause damage.

## **Disposal Instructions**

- Dispose of the LV119 Rear Covert Plate Bag in accordance with local regulations for textile waste.
- If the product is damaged beyond repair, consider recycling the materials if possible.
- Do not dispose of the product in regular household waste if it contains any hazardous materials.

## **Contact Information for Further Support**

For any questions regarding the LV119 Rear Covert Plate Bag, including safety inquiries or product support, please refer to the manufacturer's customer service or the designated EU contact point.

Thank you for choosing the LV119 Rear Covert Plate Bag. Your safety and satisfaction are our top priorities.
