

BACK PANEL GP FLAP - SPIRITUS SYSTEMS BACK PANEL GP FLAP - WOODLAND

[Home](#)

*** This product attaches to the ASSAULT BACK PANEL CORE. It is NOT standalone and requires a Core to function properly.*** GP Flap The GP Flap is a single pocket zip on attachment to our Assault Back Panel Core. It consists of one pocket that measures 10" x 6" x 2.5" The pocket was built to store extra items that may be needed on an operation such as medical equipment or roll up flex linear charges. The pocket features a half zippered closure to prevent items from inadvertently dumping out unzipping the pouch. Inside the pocket there is Velcro loop lined on both sides for the addition of hook Velcro accessories. There are also two tie down locations on the interior for securing sensitive items. The GP Flap has two built-in channels behind the pocket that allows for the storage of linear items, such as Slap Charges and Breach Pens. The front of the pocket offers a smaller zippered stash pocket for organizing smaller items and features a loop Velcro field that measures 2" x 9" for attaching placards or velcro patches. The GP flap is attached to the Assault Back Panel Core by a separating dual zipper, 3 directional snaps and a hook/loop Velcro field. Some images show with optional accessories, sold separately.

Safety Instruction Guide for BACK PANEL GP FLAP WOODLAND

Introduction

Thank you for choosing the BACK PANEL GP FLAP from SPIRITUS SYSTEMS. This product is designed to enhance your operational capabilities when used in conjunction with the ASSAULT BACK PANEL CORE. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

General Safety Guidelines

- Ensure that the BACK PANEL GP FLAP is attached to the ASSAULT BACK PANEL CORE before use. This product is not standalone and requires the Core to function properly.
- Regularly inspect the product for any signs of wear and tear. Replace any damaged components immediately to maintain safety.
- Keep the product out of reach of children to prevent accidental injury or misuse.
- Be aware of your surroundings when using the product in operational scenarios to avoid potential hazards.

Specific Safety Precautions for Use

- **Storage of Items:**
 - Use the designated pocket for storing items. Ensure that the items are securely placed to prevent them from falling out.
 - Avoid overloading the pocket beyond its capacity (10" x 6" x 2.5") to maintain structural integrity.
- **Zipper and Closure:**
 - Always ensure that the half zippered closure is fully secured before moving to prevent items from inadvertently dumping out.
- **Velcro Accessories:**
 - When adding hook Velcro accessories inside the pocket, ensure that they are securely attached to the Velcro loop lining to avoid detachment during use.
- **Tie Down Locations:**
 - Utilize the two tie down locations on the interior to secure sensitive items properly.
- **Linear Items Storage:**
 - Use the builtin channels behind the pocket exclusively for linear items such as Slap Charges and Breach Pens to prevent damage or accidents.
- **Zippered Stash Pocket:**
 - Use the smaller zippered stash pocket for organizing smaller items. Ensure that it is securely closed when not in use.

Instructions for Installation and Usage

1. Attaching the GP Flap:

- Align the GP Flap with the ASSAULT BACK PANEL CORE.
- Secure the GP Flap by connecting the separating dual zipper.
- Fasten the 3 directional snaps to ensure a tight connection.
- Attach the hook/loop Velcro field to provide additional security.

2. Using the Product:

- After installation, check that all connections are secure before use.
- Load the pocket with necessary items, ensuring they are properly organized and secured.

- When in operation, regularly check the stability of the GP Flap and its contents.

Disposal Instructions

- Dispose of the BACK PANEL GP FLAP in accordance with local regulations.
- If the product is damaged beyond repair, consider recycling materials where possible.
- Do not dispose of the product in regular household waste if it contains hazardous materials.

Contact Information for Further Support

For any safety inquiries or additional support regarding the BACK PANEL GP FLAP, please refer to the relevant contact points provided by the manufacturer or your retailer.

This safety instruction guide is designed to ensure that you can use the BACK PANEL GP FLAP safely and effectively. Please keep this document for future reference.
