# Safety Instructions for DD4 RIII 5.56MM Rifle

## Introduction

Thank you for choosing the DD4 RIII 5.56MM Rifle by Daniel Defense. This safety instruction guide is designed to ensure the safe use and handling of your firearm. It is important to read and understand these instructions before using the rifle. Adhering to these guidelines will help you avoid potential hazards and ensure a safe shooting experience.

## General Safety Guidelines

- Always treat every firearm as if it is loaded.
- Keep the rifle pointed in a safe direction at all times.
- Never place your finger on the trigger until you are ready to shoot.
- Be aware of your surroundings and ensure that there is a safe backstop for your shooting.
- Store the rifle in a secure location, out of reach of children and unauthorized persons.
- Regularly inspect the rifle for any signs of damage or wear.
- Use only the appropriate ammunition as specified in the product specifications.
- Follow all local laws and regulations regarding firearm ownership and use.

## Specific Safety Precautions for Use

- Ensure the safety is engaged until you are ready to fire.
- Always wear appropriate eye and ear protection when shooting.
- Do not shoot if you are under the influence of drugs or alcohol.
- Be aware of the potential for ricochet and take precautions to avoid it.
- Do not modify the rifle or use accessories that are not approved by the manufacturer.
- If a malfunction occurs, keep the rifle pointed in a safe direction and follow the manufacturer's guidelines for troubleshooting.
- Be cautious of the rifle's weight and balance, especially when handling or transporting.

## Instructions for Installation and Usage

### Installation

- Ensure that you are in a safe and controlled environment before beginning installation.
- Follow the manufacturer's instructions for attaching MLOK accessories to the 12.5" RIS III rail.
- Ensure that all parts are securely fastened and that there are no loose components.

### Usage

- Before each use, perform a safety check:
  - Ensure the rifle is unloaded.
  - Check the barrel for obstructions.
  - Inspect the magazine and ensure it is functioning properly.
- Load the magazine with the appropriate ammunition (5.56 mm NATO).
- Insert the magazine into the rifle until it clicks into place.
- To engage the safety, push the safety lever to the "safe" position.
- To fire, disengage the safety and pull the trigger while maintaining a firm grip on the rifle.
- After firing, always reengage the safety before handling the rifle further.

## Disposal Instructions

- Dispose of the rifle in accordance with local laws and regulations.

- If the rifle is no longer functional, consider contacting a licensed firearms dealer for proper disposal.
- Do not dispose of ammunition in regular trash. Follow local guidelines for hazardous waste disposal.

## **Contact Information for Further Support**

For any safety inquiries or concerns regarding the DD4 RIII 5.56MM Rifle, please refer to the manufacturer's website or contact their customer support directly. Ensure you have your product details ready for assistance.

By following these safety instructions, you can help ensure a safe and enjoyable experience with your DD4 RIII 5.56MM Rifle. Always prioritize safety and responsibility when handling firearms.
