Safety Instruction Guide for +0 ALUMINUM BASE PLATE FOR S15

Introduction

Thank you for purchasing the +0 Aluminum Base Plate for S15. This product is designed to enhance your S15 magazine experience with improved grip and functionality. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

General Safety Guidelines

- Always inspect the product before use to ensure it is free from defects.
- Use the product only as intended and in accordance with the instructions provided.
- Keep the product out of reach of children and vulnerable individuals.
- Report any unsafe product conditions to the appropriate authorities.
- Stay informed about product recalls and safety updates through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Ensure that the base plate is securely attached to the magazine before use.
- Avoid using the product with incompatible magazines or firearms.
- Do not modify the base plate in any way, as this may compromise safety.
- Always handle magazines with care to prevent accidental discharge.
- Use appropriate protective gear, such as eye protection, when handling firearms.

Instructions for Installation and Usage

1. Installation of the Base Plate:

- Ensure the magazine is unloaded and pointed in a safe direction.
- Remove the existing base plate from the magazine by following the manufacturer's instructions.
- Align the +0 Aluminum Base Plate with the magazine base.
- Press down firmly until the base plate clicks into place, ensuring it is secure.
- Check the attachment by gently tugging on the base plate.

2. Usage of the Magazine with Base Plate:

- Load the magazine with ammunition according to the manufacturer's guidelines.
- Insert the magazine into the firearm, ensuring it is seated properly.
- Always check the magazine for secure attachment before firing.

3. PostUse Care:

- After use, clean the base plate and magazine according to the manufacturer's recommendations.
- Store the magazine and base plate in a safe and secure location.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in household waste.
- If the product is damaged or no longer usable, contact local waste management services for proper disposal methods.

Contact Information for Further Support

For any inquiries regarding safety or product issues, please consult the product packaging for the relevant contact information. It is essential to have access to a local EUbased contact for any safety inquiries related to this product.

By following these guidelines, you can ensure a safe and enjoyable experience with your +0 Aluminum Base Plate for S15. Thank you for your attention to safety.
