

MK3 DEVICE "LITE" AR-15 UPPER RECEIVER FIXTURE - THE DEVICE MANUFACTURING. MK3 DEVICE "LITE" AR-15 UPPER RECEIVER FIXTURE

[Gunsmith Tools](#) > [Rifle Tools](#) > [Bench & Vise Blocks](#)

Mk3 DEVICE "LITE" Introducing the Mk3 DEVICE "LITE". The Mk3 is the little brother to the Mk1 DEVICE Upper Receiver Fixture. The Mk3 retains the same operating principal of the Mk1 in a smaller, lighter leaner platform. The Mk3 weighs in at 1.7 pounds of machined 6061-T6 Aluminum with a Type III hard coat anodized finish. The Mk3 also features a full length "T" slot on the bases bottom compatible with M-LOK T-nuts. This feature can allow M-LOK accessories, such as Pic Rail sections, to be applied for scope set-up and repair. Or this "T" slot can be utilized as a set-up jig for assembly and timing of any M-LOK compatible accessories. The uses are limited only by the imagination. Proudly manufactured in the United States.

Attributes

Safety Instruction Guide for the MK3 DEVICE "LITE" AR15 Upper Receiver Fixture

Introduction

Thank you for choosing the MK3 DEVICE "LITE" AR15 Upper Receiver Fixture. This guide provides important safety information and instructions for the safe use, installation, and disposal of the product. Please read this document carefully to ensure safe operation and compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Ensure that the product is used only by individuals who are familiar with firearms and their components.
- Always wear appropriate personal protective equipment (PPE), such as safety glasses and gloves, when using the fixture.
- Keep the fixture out of reach of children and unauthorized users.
- Inspect the fixture before each use for any signs of damage or wear.
- If the fixture is damaged or not functioning properly, do not use it and contact a qualified professional for assistance.
- Follow all local laws and regulations regarding the use of firearms and firearm accessories.
- Report any unsafe products or accidents to the relevant authorities.

Specific Safety Precautions for Use

- Do not exceed the weight limit specified for the fixture.
- Ensure that the fixture is securely attached to a stable work surface before use.
- Avoid using the fixture in damp or wet conditions to prevent slips and falls.
- Do not place any body parts in the vicinity of moving parts during operation.
- Keep hands and tools clear of the fixture's working area while in use.
- Use only compatible MLOK accessories with the fixture to avoid accidents or malfunctions.
- Do not modify the fixture in any way that could compromise its safety or functionality.

Instructions for Installation and Usage

1. Installation

- Choose a stable work surface that can support the weight of the fixture and the firearm.
- Securely attach the MK3 DEVICE "LITE" to the work surface using appropriate clamps or fasteners.
- Ensure that the fixture is level and stable before proceeding.

2. Usage

- Place the AR15 upper receiver into the fixture, ensuring it is properly aligned.
- Utilize the fulllength "T" slot at the base for attaching MLOK accessories as needed.
- Follow the manufacturer's instructions for any accessories being used in conjunction with the fixture.
- After use, remove the firearm and any accessories from the fixture.

3. Postusage Care

- Clean the fixture after each use to maintain its condition.
- Store the fixture in a dry place away from direct sunlight and moisture.

Disposal Instructions

- Dispose of the MK3 DEVICE "LITE" in accordance with local regulations concerning aluminum and electronic waste.
- Ensure that the fixture is completely disassembled before disposal to prevent any hazards.
- If in doubt about disposal methods, consult local waste management authorities for guidance.

Contact Information for Further Support

For any questions or concerns regarding the MK3 DEVICE "LITE," please refer to the manufacturer's website or contact the designated EUbased contact point for safety inquiries.

Thank you for your attention to these safety guidelines. Proper use and care of the MK3 DEVICE "LITE" will ensure a safe and effective experience.
