# ROLL PIN WIZARD Safety Instruction Guide

## Introduction

Thank you for choosing the ROLL PIN WIZARD by TWO TWO THREE INNOVATIONS. This guide provides important safety information and instructions to ensure the safe and effective use of the Roll Pin Wizard. Please read this guide carefully before use.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose as described in this manual.
- Keep the Roll Pin Wizard and its components out of reach of children and vulnerable individuals.
- Inspect the Roll Pin Wizard and all accessories before use. Do not use if any parts are damaged or missing.
- Always wear appropriate safety gear, such as safety glasses, when using the Roll Pin Wizard.
- Be aware of your surroundings and ensure that the workspace is clean and free from hazards.

## Specific Safety Precautions for Use

- **Hazard Identification:**

- Potential for pinching or injury when using the roll pin punch.
- Risk of damaging your receiver if not used properly.

- **Avoiding Hazards:**

- Always handle the Roll Pin Wizard with care to prevent pinching.
- Follow the installation instructions closely to minimize the risk of damaging your receiver.
- Use the Roll Pin Wizard on a stable surface to prevent slips and accidents.
- Keep hands clear of the punch area when using the Roll Pin Wizard.

- **Age Specific Warnings:**

- This product is not intended for use by children. Always supervise younger individuals if they are present during use.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary components: Roll Pin Wizard Guide Tool, specially designed roll pin punch, pivot pin detent springs, and pivot pin detents.
- Ensure your workspace is clean and welllit.

### 2. Installing the Bolt Catch Roll Pin:

- Position the Roll Pin Wizard over the bolt catch roll pin hole on your receiver.
- Insert the roll pin punch into the Roll Pin Wizard and align it with the roll pin.
- Carefully strike the punch with a hammer to install the roll pin. Ensure your hands are clear of the punch area.

### 3. Installing the Pivot Pin:

- Place the pivot pin detent spring into the detent hole on the receiver.

- Insert the pivot pin detent into the spring, ensuring it is seated properly.
- Use the Roll Pin Wizard to assist in aligning and securing the pivot pin.

#### **4. PostInstallation:**

- After installation, doublecheck that all pins and detents are securely in place.
- Store the Roll Pin Wizard and all components in a safe location for future use.

## **Disposal Instructions**

- Dispose of the Roll Pin Wizard and any damaged components in accordance with local regulations.
- Do not dispose of any electronic components in regular household waste. Check for local electronic recycling programs.

## **Contact Information for Further Support**

For any questions or concerns regarding the ROLL PIN WIZARD, please refer to the official contact point provided with your product packaging. It is important to have access to support for safety inquiries and product information.

Thank you for your attention to these safety instructions. Enjoy using your ROLL PIN WIZARD safely and effectively!
