# Safety Instruction Guide for RA212 AR15 Extended Latch Charging Handle

## Introduction

Thank you for choosing the RA212 AR15 Extended Latch Charging Handle by Rise Armament. This guide provides essential safety instructions to ensure the proper use and maintenance of your charging handle. Please read this guide carefully to maximize your safety and the performance of your product.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose as specified by the manufacturer.
- Always handle firearms with care and follow general firearm safety rules.
- Regularly inspect the charging handle for any signs of wear or damage before use.
- Store the charging handle in a secure location, away from children and unauthorized users.
- Report any unsafe products or incidents to the appropriate authorities.
- Stay informed about recalls or safety updates through official channels.

## Specific Safety Precautions for Use

- Always ensure that the firearm is unloaded before installing or manipulating the charging handle.
- Do not force the charging handle if it does not operate smoothly; this may indicate a problem that requires further inspection.
- Avoid using the charging handle with incompatible or damaged components.
- When charging your rifle, maintain a safe direction and ensure that the muzzle is pointed in a safe area.
- Be aware of your surroundings and ensure that no one is in the line of fire when operating the firearm.
- Follow local laws and regulations regarding firearm usage and modifications.

## Instructions for Installation and Usage

### Installation

1. **Ensure Safety:** Confirm that the firearm is unloaded and pointed in a safe direction.
2. **Remove Old Charging Handle:** If replacing an existing handle, carefully remove it by pulling back the bolt carrier group and sliding the old handle out.
3. **Insert New Charging Handle:** Align the Rise Armament charging handle with the gas key on the bolt carrier group. Slide it into place until it clicks securely.
4. **Check Functionality:** Pull back the charging handle to ensure it operates smoothly and is securely in place.

### Usage

- To charge your AR15, grasp the extended latch of the charging handle firmly.
- Pull the charging handle fully to the rear and release it to allow the bolt to return to the forward position.
- To manually eject or feed rounds, repeat the charging procedure as necessary.
- Always keep the muzzle pointed in a safe direction during operation.

## Disposal Instructions

- Dispose of the charging handle in accordance with local regulations.
- If the product is damaged beyond repair, consider recycling materials where possible.
- Ensure that any parts that could pose a safety hazard are disposed of properly.
