

MATCH SERIES GUNNER 300 BLACKOUT PISTOL LENGTH RIFLE BARRELS - FAXON FIREARMS MATCH 300BLK 7.5" 1-5 TWIST GUNNER CONTOUR SS BBL NITRIDE

[Rifle Parts](#) > [Barrel Parts](#) > [Rifle Barrels](#)

A faster 1:5 Twist Rate combined with the Lightweight Faxon Gunner Profile. The 300 Blackout cartridge yields increased performance in shorter barrels and effective subsonic performance. By speeding up the twist rate to 1:5 from common 300 BLK rates of 1:7 and 1:8, these Faxon Match Series Gunner Barrels increase projectile stabilization and energy on target. The Gunner profile is a blend of two of the best performing profiles of all time, GOVT/SOCOM and Pencil. Faxon's Gunner profile combines the durability of the GOVT/SOCOM profile with the weight savings and maneuverability of the Pencil profile. The Gunner profile brings the balance of the rifle back towards the shooter's body, limiting fatigue, and allowing for shooting, training, or hunting all day long. Faxon Firearms barrels are the pinnacle of value. Manufactured in-house in Greater Cincinnati, Ohio, Faxon barrels are fully stress relieved, air-gauge tested, and 11-degree target crowned to ensure superior accuracy. Quality is imbued into Faxon Firearms barrels from the beginning of the manufacturing process. Faxon Match Series Barrels are made of 416-R Stainless Steel, given 5R rifling, and a NP3 (Nickel Teflon) barrel extension. Faxon barrels are Magnetic Particle Inspected (MPI) in-house to assure the greatest quality for a lifetime of service. Each barrel goes through a battery of tests at each operation until finished in Nitride and final inspected. All barrels are individually checked for headspace with precision, custom-hardened PTG gauges.

Safety Instruction Guide for MATCH SERIES GUNNER 300 BLACKOUT PISTOL LENGTH RIFLE BARRELS

Introduction

Thank you for choosing the MATCH SERIES GUNNER 300 BLACKOUT PISTOL LENGTH RIFLE BARRELS from Faxon Firearms. This guide provides essential safety information and instructions to ensure the safe and effective use of your barrel. It is important to read this guide thoroughly before handling or using the product.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always handle firearms and firearm components with care and respect.
- Keep the barrel and all firearm components out of reach of children and unauthorized users.
- Regularly inspect your barrel for any signs of damage or wear.
- Follow all local laws and regulations regarding firearm ownership and use.
- Report any unsafe products or incidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Always wear appropriate eye and ear protection when using firearms.
- Ensure the firearm is unloaded before installing or removing the barrel.
- Verify that the barrel is compatible with your firearm model before installation.
- Do not exceed the recommended ammunition specifications for the barrel.
- Avoid using damaged or worn ammunition, as it may lead to malfunctions.
- Be aware of your surroundings and ensure a safe shooting area when using firearms.
- Never point the firearm at anything you do not intend to shoot.
- Keep your finger off the trigger until you are ready to shoot.
- Ensure that all safety mechanisms on your firearm are engaged when not in use.

Instructions for Installation and Usage

Installation Instructions

1. **Preparation:** Ensure that your firearm is unloaded and pointed in a safe direction.
2. **Remove the Existing Barrel:**
 - Use appropriate tools to remove the existing barrel from the firearm.
 - Follow the manufacturer's instructions for your specific firearm model.
3. **Install the New Barrel:**
 - Align the MATCH SERIES GUNNER 300 BLACKOUT barrel with the receiver.
 - Secure the barrel using the appropriate torque specifications provided by the firearm manufacturer.
4. **Check for Proper Fit:**
 - Ensure that the barrel is properly seated and that there are no gaps.
5. **Final Inspection:**
 - Inspect the installation for any signs of misalignment or improper fit.
 - Ensure that all components are securely fastened.

Usage Instructions

- Load the firearm with appropriate 300 AAC Blackout ammunition.
- Follow standard operating procedures for firing the firearm.
- Maintain proper shooting stance and grip for optimal control.
- After use, clean and maintain the barrel according to the manufacturer's recommendations.

Disposal Instructions

- Dispose of the barrel in accordance with local regulations regarding firearm components.
- Do not dispose of the barrel in regular household waste.
- Contact local authorities or a licensed firearms dealer for guidance on proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the MATCH SERIES GUNNER 300 BLACKOUT PISTOL LENGTH RIFLE BARRELS, please refer to the manufacturer's website or contact their customer support for assistance.

By following these guidelines and instructions, you can ensure a safe and enjoyable experience with your MATCH SERIES GUNNER 300 BLACKOUT PISTOL LENGTH RIFLE BARRELS. Always prioritize safety and compliance with local laws when handling firearms.
